WHAT IS-DR. LAVIOLETTE'S SYRUP OF TURPENTINE?

TURPENTINE is a volatile essence extracted from the health giving pine tree. Its effects when used as a lotion or liniment are well known, but though long recognized as possessed of wonderbut though long recognized as possessed of wonderful healing properties its too stimulating action on the digestive organs and kidneys has prevented its use as an internal remedy. How to prepare it rendering it safe and easy to take as a medicine, while still preserving its curative principles, has been a puzzle to chemists for generations. This chemical enigma has at last been solved by Dr. Laviolette after numerous experiments and an experience of 25 years as a practical chemist. He has succeeded in compounding a syrup whose active principle is turpenpounding a syrup whose active principle is turpen-tine, with all its curative and health-giving properties intact, but with its irritating effects neutralized

By the use of DR. LAVIOLETTE'S SYRUP OF TUR-PENTINE the cause of the malady is from the first attacked. No narcotics or poisons enter into its composition, it is as safe for the youngest child as for the robust and healthy man. It does not drug the patient and trust to nature for a cure, but the wonderful healing balm of the turpentine is carried in the blood right to the sore spot which it at once soothes and a permanent cure is the result.

BEWARE.—Since the great success of DR. LAVIO

LETTE'S SYRUP OF IURPETTINE unscrupulous persons offer for sale, or prepare for their own use a concoction of syrup and raw spirits of turpentine, which dangerous imitation they palm off as "the same" or "just as good." Remember, it has taken Dr. Laviolette many years of labor to discover the secret of rendering turpentine harmless to the human system. He is the only person in possession of this great secret, therefore avoid dangerous imitations. Get nothing but the genuine Dr. Lavio-Lette's Syrup of Turpentine.

FEB. 19.—On Tuesday last Miss Abbie Eaton entertained a number of her friends at a dance, which proved to be one of the most enjoyable affairs ever given at Maitland. The none too lengthy programme of twenty-three numbers was successfully carried out. The music was excellent and the floors perfection. Ample justice was done to the excellent supper the occasion required. The usual number of dancing men were present, and the costumes worn by the ladies were magnificant specimens of dress-makers' skill and milliner's art. Among those

especially noticed were: Miss Minnie Urquhart, who wore pretty white muslin, with pale blue sash.

Miss Alice Roy, Nile green silk. Miss Abbie Roy looked charming in a pretty cos ume of violet crepon, with velvet flowers.

CHARLOTTETOWN, P. E. I.

[Progress is for sale in Charlottetown, by Marcy, Bazaar Co., and at Carter's Bookstore.] FEB. 13.-It is sometime since Charlottetown has figured in the columns of Progress to any extent sa I hope I may be pardoned if I conclude in my notes the happenings of a week or two ago.

The last few weeks have been fraught with social and athletic events; in fact "the capital" has been quite gay. Card parties, dances, club meetings, snowshoeing, hockey, and skating matches, have been and are the order of the day.

The carnival in the Hillsborough rink on Friday nine hundred spectators greeted the one hundred and fifty skaters who appeared on the ice in costume. The rink was gaily decorated with Chinese lanterns and, bunting and many of the costumes were original and attractive. The ladies' prize for fancy|costume was divided between Miss Daisy Hobkirk and Miss Maggie Maccuchern, the first appearing as 'lady of the 7th century," the latter as "Hermione." The gentlemen's prize was awarded to Mr. Jack Owens, who skated as "Japanese student." Among the skaters who came in for a share of adminstration were: Miss Peake, "Queen of the Golden Isle," Miss Burris, "Scotch Lassie," Miss Perkins, "Silver Thaw," Mr. Aeneas McDonald, "Bluebeard," Mr. A. Reddin, Robinson Crusoe," Mr. E. Earl 'Herald," Mr. J. Hydeman, "New Woman," Mr. E. Peake, "Cavalier." Messrs. Dawson and Rogers, the managers of the rink, are energetic young men and must feet gratified at the success which has crowned all their efforts so far as regards not only the carnival but the hockey matches, the skat-

ing races and rink attendance generally. Mrs. George Longworth gave a pleasant little drive whist party to a number of her young friends week or two ago. Needless to say they enjoyed themselves to the utmost. The ladies' prize was captured by Miss Lucy Caver and the gentleman's by Mr. E. Earle.

About forty ladies and gentlemen were entertained by Mrs. L. Haszard at Woodlawn, on the evening of last Friday week. The first part of the evening was occupied at progressive whist, Miss Fannie Longworth and Mr. N. Longworth being the lucky winners of the prizes. After this dancing was indulged in until midnight. Mrs. Malcolm McLeod also entertained a number of her friends

Another pleasant card-party and dance was given y Mrs. Benj. Heartz at "Westbourne on Wednesday evening last. The ladies' king prize-a Vene tian vase-was won by Miss Blake, Mr. Clairmonte winning the gentleman's prize.

An agreeable surprise greeted the young unmarried people of Charlottetown last week in the form of cards for a dance to be held in the "Music Studio" (Miller building) Wednesday evening the 6th inst, given by Mr. E. A. Earle, Mr. W. M. Clairmonte and Mr. A. E. Arsenault with Mrs. Percy Fope, Mrs. A. A. Bartlett and Mrs. M. W. Clarke as chaperons. Owing to a severe storm that day it did not take place until Monday, the 11th inst. The ball-room looked so pretty that I cannot refrain from giving a short description of it and I am sure that the praise bestowed on thework must have convinced the promotors of the dance that their efforts were not in vain. Radiating from the centre-piece, was a large Japanese parasol, and at the four corners and sides of the room were streamers of many colored drapery. Large Japanese fans of various sizes and bues arranged in artestic forms ornamented the walls. Su-pended from the ceiling and shedding their meliow light were five magnificent Chinese lanterns, several large oil paintings added not a lit tle to the decorations of the walls whilst the doors and widows were draped with fl.gs. The bright crimson shades on the lights lent a charming glow to the whole and with the pretty dresses of the ladies made a scene not soon to be torgotten. The floor and music were all that could be desired and the programme of eighteen dances was carried through with evident enjoyment and at the last when the strains of "Auld Lang Syne" sounded through the hall every one felt sorry that "it was decreed that they must part." So ended what has been pronounced the dance of the season.

The chaperons were Mrs. Percy Pope, who wore black velvet and lace, Mrs. Bartlett, in yellow with jet trimmings, and Mrs. Clark in mauve with white

Miss Jenkins wore pink silk and velvet.
Miss Palmer, yellow surah with white lace.
Mrs. J. R. Brecken, black silk and jet. Mrs. A. Ir vin, grey striped moire. Miss Blake, cardinal silk with chiffon.
Miss Maud Henderson, white cashmere and silk.
Miss Annie Macdonald, yellow and white satin.
Miss McLean, pink silk and chiffon.
Miss E. Reddin, white cashmere and lace.

The Avonion Bicycle club drove Wolfville and attended the carnival on Wednesday evening. I omitted to say last week that on the occasion of their annual meeting the members of the club were were so many opinions as to who was "the belle" it is difficult to fix upon any particular lady. I have heard the following mentioned:—Miss Palmer, Miss Annie Macdonald. Miss Blake and Miss McLean.

Well and Stylishly Clothed in the Hard Times.

Thousands of women in Canada with very limited means have found the secret of dressing well and stylishly in their homes and for the streets.

These fortunate women have found out that, by spending ten cents for a package of one of the fashionable colors of Diamond Dyes, they can recolor an old and faded dress, and make it look like a new production. A lady recently informed us that she had not purchased new material for a dress in three yaars. This same lady is always neatly and prettily dressed, because she used the Diamond Dyes. She has several old dresses and dyes each one twice a year, and produces as good colors with the Diamond Dyes as can be found in new goods. It is wonder:ul, indeed, the saving in dol-

lars that can be effected by a judicious use of Diamond Dyes. GERARD G. RUEL,
