DR. LAVIOLETTE'S ANTI-CATARRH BALM is a preparation unequalled by any other for its efficacy; being carefully prepared and compounded from the very best ingredients, it never fails to produce good results.

Even in those rare cases where the malady is too far advanced to be completely cured, its use in every instance will be of such benefit, and the patient will experience great relief. If you are suffering from headache, loss of taste or smell, sensation of heaviness in the ears, ringing noises, partial deafness, choking of the nose and throat, hawking and inclination to vomit, particularly in the morning, predisposition to cold in the head, sneezing, burning pains at the back of the throat—remember that each of these states is a symptom of Catarrh which so often produces consumption. If you use Dr. LAVIOLETTE'S ANTI-CATARRH BALM you will be cured and escape consequences which may so seriously affect the throat, the bronchial tubes and the lungs.

**DIRECTIONS:** Insert in each nostril a quantity of the balm equal in size to an ordinary bean and sniff it up. Use it freely as it is harmless.

Change of water, cooking and green fruit is sure to bring on the attacks. To such persons we would recommend Dr. J. D. In his VEGETABLE PILLS, Dr. Parmelee has given to the world the fruits of long scientific research in the whole realm of medical science, combined with new and valuable discoveries never before known to man. For Delicate and Debilitated Constitutions Parmelee's Pills act like a charm. "If I had a letter" means "an article not quite equal to demand, but closely resembling it, and much cheaper," why should not peppercorn, mustard, sugar, and a whiskey bottle be in the market?

PARMELEE'S PILLS possess the power of acting specifically upon the digestive organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body." Mr. D. Carswell, Carver, Ill. P.
