**Plum, Peach, Pear and Apple Stock for Spring Planting.**  
 PLUMS—8,000 young trees of best commercial varieties, chiefly on native stocks; 2,000 two years old. Three years ago I planted a number of new varieties of Plums, obtained from leading Orchardists in New York. Last year they began to fruit and this year gave me a full crop. I have selected four valuable varieties, the first ripening August 12th, the last October 10th. This fruit preserved in glass. I have a number of these trees for sale, along with Moore's Arctic and Lombard. I planted thirty bushels of Plums last autumn to secure native stocks.  
 PEACHES—1,000 trees. The first and only Peach Nursery in the province. Stocks budded with choice varieties, tested on ground.  
 GRAPES—Vines in early varieties only.  
 PEARS—Trees three years old some grown, leading kinds.  
 APPLES—A specialty made. Gravenstein, Ribston Pippin and Russets.  
 THE ABOVE STOCK IS GOOD. ALSO EXCELLENT SITUATION FOR BUILDING.

 Mr. Edward Sears left last week for a trip to New York.

 Messrs. E. McLeod and Geo. F. Blair, M. P.'s, arrived home from Ottawa on Saturday last.  
 Rev. F. M. Herridge, D. D. of Ottawa, was in the city over Sunday, the guest of Mr. and Mrs. J. H. Thompson of Terminal street. He arrived in the city Saturday from the West Indies and intended proceeding to England, but a telegram informing him of the serious illness of one of his children was received and this necessitated his return to Ottawa; Dr. Herridge's health has been very poor recently, and he will not resume work for some time.  
 Messrs. Geo. M. and Douglas Olive, formerly of this city but at present residing in Cambridgeport, Mass., were in town for a day or two recently, but returned to that city by Monday's boat.

 Rev. J. DeSoyes went to Montreal on a short vacation this week. It is gratifying to Mr. J. DeSoyes congregation and to his friends in the city generally to know that he has declined a very flattering offer to leave St. John, for the pastorate of a large and influential church at Toronto, and also of a professorship in Wycliffe Theological college. Both positions are better from a financial standpoint than the one he now enjoys and the work would no doubt be very congenial, but he prefers to remain in St. John and the congregation of the Stone church will no doubt feel highly flattered.

 E. G. SCOVIL, AGENT PELEE ISLAND GRAPE JUICE, ST. JOHN, N. B.  
 DEAR SIR,—My family have received great benefit from the use of the PELEE ISLAND GRAPE JUICE during the past four years. It is the best tonic and sedative for debility, nervousness and weak lungs in the have ever tried. It is much cheaper and pleasanter than medicine. I would not be without it in the house.
