Where Is He Going?

Gentle reader, he is hurrying home. And it's house-cleaning time, too—think of that! Fifteen years ago, he wouldn't have done it. Just at this time, he'd be "taking to the woods."

But now, things are different. His house is cleaned with Pearline. That makes house-cleaning easy.

Easy for those who do it—easy for those who have it done.

No hard work, no wear and tear, no turmoil and confusion, no time wasted, no tired women, no homeless men.

Everything's done smoothly, quickly, quietly, and easily. Try it and see.

Send it Back. Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, and if your grocer sends you something in place of Pearline, do the honest thing—send it back.
