Priestley's "Eudora" Cloth. "Eudora" is the name of the new black dress fabric put upon the market by the Priestley's, whose famous dress goods are a household word all over the world. It is like their much esteemed Henrietta cloths; indeed, it has all their merits, and a few things which they lack. It is made in black only, it is a perfect dust shedder; has extra weight and width; and, fitting easily and draping gracefully it gives a distinction to the wearer which all of Priestley's goods confer. This is their excellence, which sets them apart from all other goods. "Eudora" is wrapped on "The Varnished Board," and Priestley's name is stamped on every five yards so that ladies cannot be deceived.
