Earnscliffe Gardens,

Plum, Peach, Pear and Apple Stock for Spring Planting.

PLUMS-8,000 young trees of best commercial varieties, ch'efly on native stocks; 2,000 tw years old. Three years ago I planted a number of new varieties of Plums, obtained from I leading Orchardists in New York. Last year they began to fruit and this year gave me a ful crop. I have selected four valuable varieties, the first ripening August 12th, the last October 10th. This fruit preserved in glass. I have a number of these trees for sale, along with Moore's Arctic and Lombard. I planted thirty bushels of Plums last axtumn to secure native stocks.

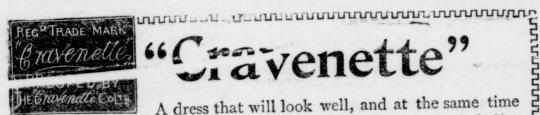

13th PEACHES—1,000 trees. The first and only Peach Nursely in the province. Stocks budded with choice varieties, tested on ground.

GRAPES—Vines in early varieties only. GRAPES-Vines in early varieties only.

PEARS—Trees three years old nome grown, leading kinds.
APPLES—A specialty made in Gravensteins, Ribston Pippin and Russets. THE ABOVE STOCK IS GOOD. ALSO EXCELLENT SITUATION FOR BUILDING.

"Cravenette"

A dress that will look well, and at the same time defy rain or dust, would seem to be the ideal after which ladies have been longing. These merits all meet in Cravenette. Waterproof, but thoroughly porous, thoroughly stylish, while defying the deluge from above or the dust from beneath; suitable either for dress, or cloak or wrap. Cravenette meets a need long felt. In Navy, Myrtle, Brown, Grey, Castor or Black. The ideal costume for spring and summer. Light and medium weights.
