There was a delightful gathering at Mrs. Daly's garden party. The event was a most enjoyable one, and a large number were present, Some beautiful gowns were worn. The threatening weather apparently lept inone of those invited away. Refreshments were served on the lawn.

Captain Semini, it is understood, will succeed Major Waluron on this station. The latter gentleman and Mrs. Waldron leave for England in the Autumn. Capt Semini has many friends here who will be pleased to learn of his promotion.

It is reported that the officers of the King's regiment intend giving a farewell dance. The function is bound to be a brilliant one, and society will be there in force.

Invitations are out for a ball to be held at Bellevue on the fourth of September. The list of guests is said to be a very large one. The decorations will be on a most elaborate scale.

The warship Crescent is expected to return from Quebec on the seventh of September. Some time after her arrival a dance is to Le given at Admiralty House; also several dinners.

Csprain Johnston of the King's regiment, owing to ill health, has been granted three months leave of absence. The captain was very popular here and it is hoped that when he returns to his regiment his health will have much improved.

Word has been received that Major Hayman, of the Royal Artillery, will be attached to the corps on this station. He has written to the proprietor of the Grosvenor stating that he and his wife will arrive here on the eight of September and will take a suit of rooms at that popular house.

Mrs. R. L. Berden gave an at home at her pretty grounds, Plachurst, North West Arm on last Wednesday afternoon.

One of the society events of the week was the marriage on Wednesday last of Staff Surgeon G. W. Bell, H. M. S. Magicienne, and Miss Rosa Maton Parson daughter of the late Edward Parson, M. D., of South ea, England. The ceremony was per formed by Rev. E. P. Crawtord. The bride was accompanied by Miss Wickwire, the groom by Lieut. Osborne, H. M. S. Mohawk. The bride's dress was of satin, trimmed with chiffon. She wore a tuile veil and orange blossoms and carried a handsome bouquet composed of lillies and carna tions. The bridesmaid wore a dress of pale yellow crepon, trimmed wi h lace and ribbon and a white hat trimmed with yellow flowers; she also carried a bouquet, both being from the groom. After the wed ding the party proceeded to the house of Dr. Wick wire, 61 Hollis street, (where the bride has been stopping since her arrival from England on Friday. 16th,) where a lunch was prepared. The 'appy couple left by the 4.10 train for Kentville, with all good wishes from their many friends. Among the number present were: Lieutenant Governor and Mrs. Daly, Miss Daly, Captain and Mrs. Stewart, the officers of the H. M. S. Mohawk, Colonel and Mrs. Hill, Captain and Mrs. Clarkson, Mr. and Mrs. J. F. Kenny, Miss Howard, Dr. and Mrs. May, Dr. and Mrs. Doyne, Mr. and Mrs. Krabbe, Dr. and Mrs. Tobin, Colonel Creagh, Mrs. and the Misses Keith, Colonel Shannon, Mr. Motton, Lieutenant Elliot, R. A. Captain Colborne. Captain Clarke and officers H. M. S. Magicienne, not being in port, were unable to be present. The bride's travelling dress was of corn flower blue cloth trimmed with Paisley passementeries and pink plush. She wore a large white hat trimmed with white feathers and pink roses. Dr. and Mrs. Bell will probably return about the fourth of September and will reside at the Halifax hotel. They marriage of Miss Lena Parker Troop, daughter of Mr. G. J. Troop, and Joseph | A. Shirreff, a member of the firm of E. B. Eddy & Co., Hull, will take place tomorrow. Thursday afternoon, the 29th inst, at four o'clock, at Maplehurst, Dart mouth, the residence of the bride's father. The bride will wear a very handsome white satin train dress, imported from London. The bridesmaids will be Miss B. ssie C. Troop and little Miss Margaret Nicholson, sister and neice respectively of the bride. Their dresses were also imported from London. A wedding lunch will be served at Maplehurst immediately after the ceremony. The guests number about one hundred and con sists only of the relatives and personal friends of the bride. The groom was formerly in the Bank of Montreal. leaving it to become a member of the firm in question. The groomsman will be Hugh Hartshorne, who comes from Toronto for the occasion. The great event of Thursday was the yacht club at home, but Capt. Colburne's picnic at Lawlor's Island-a small and private affair-was very enjoyable. I do not know how Halifax would get on without the yacht club. It is very useful to its members, but how much pleasure we poor women get out of it? How rapidly a Saturday afternoon flies when sitting on the spacious verandah and looking out on one of the most charming sea views the country can afford ! But then again the evening s on the water, starting from that funny old boat landing and gliding through the waters while the ings of phosphorescence glow capered in the wake of the lazy oar. Tuesday was relieved by a very charming picnic given by Mrs. Montgomery Moore in honor of Mr. and Mrs. Gordon, who are visiting here. Every one will remember them as most interesting members of their Excellencie's household during the visit of the Earl and Countess of Aberdeen last summer. The affair was decidely select, any I have no doubt very agreeable, notwithstanding the regretted absence of the General.

Cann, Len. Robertson, W. McDonald, A Purves. Stan. Purves, Creelman and Bigney. DatLas. DALLAS.

Trilby's Foot.

The step 'twixt the sublime and ridiculous is quickly made. Surely literature presents no more grotesque idealization than Trilby's foot, and the numerous worshippers that have figurately speak-ing bont knees and kissed the big toe of her foot, when reason once more comes to their rescue, will feel as if the production of the genus Ass were per-ennial By the way did you notice when reading Trilby how highly i commended Putnam's Corn Extractor which renders impossible the discordant excrescence, corns. Triby's foot would not be worthy of homage if marred by corns, neither would yours. Use Putnam's Corn Extractor.
