WHAT THINK YE ALL OF IT?

Well and Strong After Half a Century of Suffering.

The Cure is a Wonderful One.

Wrought by Paine's Celery Compound and The Great Strength and Health-Giver.

The memory of the great discoverer of Paine's Celery Compound will ever be sacred to the thousands who have been wonderfully delivered from disease and sufferings. The united efforts of this world's medical men will never equal the work, the mighty life-saving results, that have come to sufferers through the virtues of Paine's Celery Compound.

The most difficult, most distressing, and the seemingly hard and incurable cases, are successfully cured by the great medicine. There is no reason why any man or woman should despair and give up hope, while they can procure the medicine that drives away disease.

Strong and incontrovertible proof—testimony from one who suffered for over fifty years—will give hope and inspiration to many of Canada's sufferers who, up to the present, have been unsuccessful with physicians and common advertised medicine of the day.
