There have been a number of small teas lately and one was given almost every afternoon of last week.

Mrs. Farrell gave a large afternoon tea this week which I have heard was very enjoyable. Her house is admirably adapted to affairs of this kind and as everybody knows what a capital hostess Mrs. Far rell is it goes without saying that it was very successful.

Mrs. Leach is giving an evening party on Friday the 5th from 9.30 to 11 p.m. and if the night is a fine one no doubt the beauties of the grounds will be fully appreciated,

The engagement is announced of a well known society man to a well known young lady in the sister city. The wedding will not take place till the autumn.

The wedding of Princess Helene D'Orleans and the Duke of Aosta took place Friday at Twickenham Honse, the residence of Mr. William Cunard once of Halifax, which he lent for the occasion. Twickenham House, formerly known as Orleans House, was at one time the residence of the Count and Countess de Paris.

Mr. and Mrs. Daly returned last week from Margaree where Mr. D ly has been on his annual fishing trip.

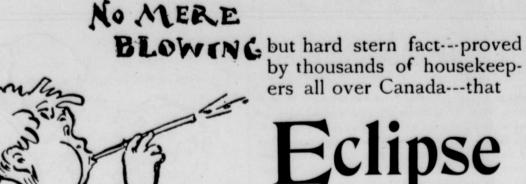

....

I hear there is to be a ball very soon at Admiralty house, another by a well known and popular hostess- and also a large naval ball, but this last may be a trifie premature. However, I believe there are to be several balls in the very near future. The Yacht club has been a very pleasant and popular resort on Satu:day afternoons. Indeed the attractions it offers are many and varied, plenty of people, good tea, beautiful costumes and a magnificent river to charm the eye; the yacht laces are not the least of the attractions.

Mrs. T. E. Kenny, Miss L Kenny, Master P. Kenny, will arrive home this week, after an absence of some months on the continent.

Mrs. Wm. Hill and her daughter are leaving for the old country this week on an extended visit t Mrs. Hill's parents Mr. and Mrs. Woodgate.

Miss Akerstrom's company did not stay long here but quite long enough to disgust every one. Halifax audiences do not tolorate anything approaching the vuigar, so the stay was short. I understand that manager Clarke was justly angry and it is no wonder whatever. Last Friday night Mrs. Wickwire gave a dance in honor of her silver wedding. They have the good wishes and congratulations of a vast host of friends. There was the usual garrison tennis party on Monday. On Tuesday Miss Keiny gave a dance at Thornvale which was greatly enjoyed as the house is particularly well suited to dancing and the grounds are simply magnificent. The concert in the Gardens ast Friday night was particularly fine. The evening was delightfully cool and made wandering around very pleasant. The music by the Kings band was exceptionally fine and the absense of fire works was a great improvement. The music is attraction enough to most people. Mrs. Charles Cory is visiting her friends in the upper provinces.

Soap will do more work for less money than any other soap ever offered.

Put up now in large and small bars---order one from your grocer and you will prove its superiority over all other soaps.

PARRSBORO.

[PROGRESS is for sale at Parrsboro Book Store.] JULY 4.-Quite two thousand people including fourteen hundred Sunday school children were down from Springhill on Saturday. This merry-goround arrived in town a week ago and attracts crowds day and night. The refreshments were provided by the R. catholic congregation the sale continuing yesterday (Dominion day) and today. A downpour of rain yesterday morning was rather discouraging but the weather cleared by noon and was all that could be desired.

Revival of Trade.

Reports from the United States support the view that trade interests have vastly improved re-cently and that the business outlook for the future is encouraging. This will be welcome news to the people of Canada, since our own trade interests will be sumulated and improved. In nothing has this improvement been shown in a more marked way then in the increased sales of Putnam's Painless Corn Extractor. Times being dull everything not absolutely eeded became a luxury, and its sale became s ationary. Now it is different. Sales have incre sed vast y, doubtless as it has proven the only safe, sure, and painless remedy for corns, and wise people wil use no other.
