Mr. Harry Archibald, of Antigonish, is spending a few days in town, the guest of his uncle, Mr. P.

An event which has been looked forward to with much interest, took place in St. Paul's R. E. church, on Wednesdy of last week, when Miss Clara, daughter of Mr. J. H. Marr, was married to Mr. Robert McNabb, of Montreal. Long before the appointed hour the church was crowded to its utmost capacity by the fair sex, with q lite a sprinkling of the sterner. The chancel represented a veritable flower garden under the artistic management of Mrs. J. R. Fraser, ably assisted by mem bers of the church. As the choir sang "The Voice that Breathed O'er Eden" the leaning on the arm of her father entered the church preceded by the four ushers Messrs Allen Scott, R. H. Neal, E. A. Harris and Harry Williams and followed by the maid of honor, Miss Allan daughter of Capt. Allan of Hali-fax and two pretty little flower girls Miss Marion Phelan of Springhill, neice of the bride, and Jean Ailan of Halifax. The bride looked sweetly pretty in a perfectly fitting gown of ivory corded silk trimmed with pearl and chiffon. She also wore the conventional veil and orange blossoms which were fastened by a handsome star and crescent of pearls the kift of the groom and carried a choice bouquet of white ross, carnations and maiden hair terns. The bridesmaid looked charming gowned in a pale pink silk costum with white lace and ribbons and large picture hat of white lace, pink clover and ups and carried a bouquet of Mr. and Mrs. John Black and family will occupy their cottage at the Ledge, the first of next week.

Mrs. Darreit Grimmer, the first of next week.

THINGS OF VALUE.

Agitation in the world of homographic medicine has been its very soul of progress, as in politics and religion—the difficulties of opinion and the individ uality of men have been parent to the disagreements by which the standard of these bodies has been elevated. So with most of our famous prepara-tions—foremost in illustration of which truth stands the world-famous remedy to general debility and angour "Quinine Wine,"—and which, when obtain able in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system. Quinine Wine, and its improvement, has from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the gre t tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and pre-scribe. Messrs. Northrop & Lyman of Toronto have given to the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the detects which skillful observation and scientific tions of the past. All druggists sell it.
