

A GREAT DEAL OF NONSENSE Has been written—and believed about Blood Purifiers

WHAT PURIFIES THE BLOOD? THE KIDNEYS PURIFY THE BLOOD And THEY alone.

If diseased, however, they cannot, and the blood continually becomes more impure. Every drop of blood in the body goes through the kidneys, the sewers of the system, every three minutes, night and day, while life endures.

WARNER'S SAFE CURE

puts the kidneys in perfect health, and nature does the rest.

The heavy dragged-out feeling, the bilious attacks, headaches, nervous unrest, sickle appetite, all caused by poisoned blood, will disappear when the kidneys properly perform their functions.

There is no doubt about this. Thousands have so testified. The theory is right, the cure is right, and health follows as a natural sequence.

BUBBLES or MEDALS

"Best sarsaparillas." When you think of it how contradictory that term is. For there can be only one best in anything—one best sarsaparilla, as there is one highest mountain, one longest river, one deepest ocean. And that best sarsaparilla is —? . . . There's the rub. You can measure mountain height and ocean depth, but how test sarsaparilla? You could if you were chemists. But then do you need to test it? The World's Fair Committee tested it,—and thoroughly. They went behind the label on the bottle. What did this sarsaparilla test result in? Every make of sarsaparilla shut out of the Fair except Ayer's. So it was that Ayer's was the only sarsaparilla admitted to the World's Fair. The committee found it the best. They had no room for anything that was not the best. And as the best, Ayer's Sarsaparilla received the medal and awards due its merits. Remember the word "best" is a bubble any breath can blow; but there are pins to prick such bubbles. Those others are blowing more "best sarsaparilla" bubbles since the World's Fair pricked the old ones. True, but Ayer's Sarsaparilla has the medal. The pin that scratches the medal proves it gold. The pin that pricks the bubble proves it wind. We point to medals, not bubbles, when we say: The best sarsaparilla is Ayer's.

Still have doubts? Send for the "Curebook." It kills doubts and cures doubters. J. C. Ayer Co., Lowell, Mass.
