Disease is an effect, not a cause. Its origin is within; its manifestations without. Hence to cure the disease the cause murt be removed, and in no other way can a cure ever be effected. Warner's SAFE Cure is established on just this principle. It realizes that

95 Per Cent.

of all diseases arise from deranged Kidneys and Liver, and it strikes at once at the root of the difficulty. The elements of which it is composed act directly upon these great organs, both as a food and restorer, and, by placing them in a healthy condition, drive disease and pain from the system.

For the innumerable troubles caused

by unhealthy Kidneys, Liver and Urin-ary Organs; or the distressing dis orders of Women; for all Nervous Affections, and physical devangements generally, this great remedy has no equal. Its past record is a guarantee for the future. WARNER'S SAFE CURE CO.
