During the evening ices and light refreshments were served and the party broke up shortly after one o'clock, after a programme of eighteen dances. There are several young ladies mentioned as belles, among them being Miss Lillie Jennison, Miss Bowman, Miss Carmichael, (Pictou) and Miss Thompson (North Sydney). In my opinion the first mentioned, who wore a new and most becoming gown of white and natural flowers, deserved the honor; though it was an exceedingly d flicult question to decide as all the young ladies present looked very well indeed. The chaperons were Miss Har. ley, Mrs. (Dr.) Keith and Miss Jennison. Among those present I noticed Mr. and Mrs. Harley, Mr. and Mrs. Keith, Mr. and Mrs. Geo. The carnival to be held next Friday night is the chief source of pleasurable anticipation for the near future. Its success is assured as the great majority of our young people have signified their intention of participating, and the management have made a move in the direction by prohibiting skaters from taking the ice at any time during the evening if not "Trilby!"

Several of our young people intend going to Pic-tou to the carnival to be held in that town on the 25th. inst. Last Thursday evening Mrs. Henry Ritchie en-
