Something New in Bicycles

is being brought out almost every day but for Bicycle Clothing the popular and "up-to-date" article is

Rigby Cloth

What we mean by "Rigby Cloth" is any cloth made waterproof by the

Rigby Process. Rigby You can get it in an endless variety of tweeds and in Ladies' Dress Goods already Rigby proofed, or your tailor will take any Rainproof piece you may select and get it proofed for you. Thousands of Rigby Bicycle Suits are being worn now, Bicycle but the only way you can tell they are Rigby proofed is that they don't get wet; yet the cloth admits the air as freely as before. Rigby simply makes the material a repellant to water.

All up-to-date Tailors and Ladies' Dress Goods Houses keep it.
