On Monday evening last about thirty-five of the friends of A. E. MacIntyre of this city tendered him a farewell dinner at the Ben Lomond House. The party drove out to the lake in the Tally Ho and the buckboard leaving the city about half past four in the afternoon. Soon after their arrival the company sat down to an elegant supper prepared in the best style of Mr. Sterling Barker the general host of the Ben Lomond House. Mr. H. A. McKeown and Mr. C. J. Milligan occupied the chair and vice chair respectively, and after a hearty dinner came toasts and speeches. The toast to the Queen was followed by the National anthem, and that to the Government of Canada and H. use of Commons was responded to by Mr. John L. Carleton and Mr. M. McDade. C. J. Milligan proposed "Our Guest" and on behalf of some of his friends in neat and appropriate language presented Mr. MacIntyre with a handsome travelling bag. Mr. MacIntyre responded feelingly and expressed his deep regret that circumstances had so ruled that he was to leave St. John with its many warm friendships for a city in which he practically knew no one. St. John had been the city of his adoption and in it he had formed friendships which he could not forget although he was now leaving his friends. In conclusion he thanked heartily the donors of his handsome present. Isaac Burpee proposed the toast of "The Ladies" which was fittingly replied to by R. L. Johnston and Dr. Harry Lomville. "The city of St. John" was proposed by J. F. MacIntyre and the reply brought Aid Ruel and R. C. J. Dunn to their feet. John McDonald proposed the "Mercantile Interests" and John Magee the "Learned Professions." These toasts were responded to by H. N. Coates, J. V. Russell, Geo. Ketchum, Dr. T. D. Walker, C. H. Ferguson and C. T. Bailey. Other impromptu toasts then followed. All through the speeches of the evening ran the feeling of deep regret at the departure from the city of Mr. MacIntyre. During the evening songs were sung by Messrs. A. H. Lindsay, J. F. MacIntyre, Geo. Craigie, G. G. Ruel and A. P. MacIntyre. The evening broke up with Aid Lang Syne, all present joining in the very best of good wishes for the future success of Mr. MacIntyre.

Columbia Bicycles STANDARD OF THE WORLD. YEARS of testing and proving demonstrated that ordinary steel tubing would not do for Columbia Bicycles. The quality was uncertain; the supply of the best was limited. Therefore our own great tube mills, shown above, for making all our steel tubing. No tubing in the world to-day equals the Columbia high-carbon-steel and nickel-steel tubing for strength and rigidity. You are sure of quality when you buy a Columbia. UNEQUALLED, UNAPPROACHED. Columbia Art Catalogue, telling fully of all Columbias, and of Hartford Bicycles, trustworthy machines of lower price, is free from any Columbia agent; by mail for two 2-cent stamps. POPE MFG. CO., Hartford, Conn. We appoint but one selling agent in a town, and do not sell to jobbers or middlemen. If Columbias are not properly represented in your vicinity, let us know.
