Mrs. (Dr.) and Miss Wickwire left England in the Numidian for Halifax on 27th. They have been on the other side since last Fall. The Misses Keith of Keith Hall, will not leave England until after the Queen's Jubilee celebration.

The marriage takes place on the 9th June, in St. Paul's church, at 7 a. m. by Rev. Dyson Hague of Thomas E. Davison of the P. O. Department, and Louise, youngest daughter of the late B. Curran, Esq. of this city. Her sister Edie will be bridesmaid. The bride will be married in her travelling dress, and the happy couple will take the Olivette for Boston at 8 o'clock, where they will spend the honeymoon.

Miss Reverley Robinson, who was here with Alban, has introduced morning concerts in Toronto, being given at private and summer residences. A morning concert was a novelty there, and was something thoroughly English as well. The large rooms were well filled with ladies and a fair sprinkling of men as well. Halifax is yet to have morning concerts, but perhaps we may have a series of such enjoyable affairs given in some of the handsome houses in the city, on behalf, possibly of needy charities.

There was a small but excellent dinner at Bloomingdale, N. W. A., the residence of Hon. A. G. Jones, last week.

The marriage is announced to take place on June 17th, of John H. Bauld and Miss George, daughter of D. F. George, Esq., merchant, of Fredericton, N. B. The wedding will, it is understood, be a quiet home one, at the bride's father's residence. The groom is a great favorite with his many acquaintances in this city.

John A. MacInnis (of John MacInnis & Son), and Miss Edith Corrod, (daughter of W. A. Corrod), are to be married this (Wednesday) morning in Brunswick St. Methodist church.

The marriage of W. B. MacCoy, barristers, and Josephine daughter of the late Joseph Belcher, is set down for 2nd June.

Wm. G. Robertson of Wm. Robertson & Son, hardware merchants, and Miss Florence Anderson, daughter of Willoughby Anderson, Esq., is announced for 1st June. I hear the groomsmen will be J. Norwood Duffus, and the bridesmaids, Mr. Robertson's sister, Miss Seeton, daughter of Robt. Seeton, and Miss Graham, daughter of Judge Graham. The wedding trip will be to the Upper Provinces.

F. A. Young and Miss Eva F., daughter of the late Robert Thomson, are to be married at the North Baptist church, Wednesday, June 2.

A large dinner was given at the Government House on the evening of the Queen's birthday and it is needless to say that it was quite as successful as any function that has been given in the past by his Honor the Lieut. Governor and Mrs. Daly.

So thoroughly related is the nervous system to disease that some physicians prescribe Hypophosphites alone in the early stages of Consumption. Scott's Emulsion is Cod-liver Oil, emulsified, with the Hypophosphites, happily blended. The result of its use is greater strength and activity of the brain, the spinal cord and the nerves.

A Row in the Choir

Henry Ward Beecher used to say that the evangelization of the world could never be accomplished until the church choir was dispensed with. It is proverbial that choirs are given to internal dissension. We do not pose as missionaries. We are selling Throat Kumforts for the money there is to be made out of it. But it has been shown time and again that where we have introduced Throat Kumforts into choirs the enthusiasm they have created has spread oil on the troubled waters. They make the voice clear as a bell for speaking and singing, and the choir that has once used them will never thereafter be without them. Put up in neat tablet form, convenient to carry and use. Invaluable for smokers' sore throat. Try a box for next Sunday.
