#### THINGS OF VALUE.

Some years ago the Rev. Dr. Crane, the father of Staphen Crane, the novelist, wrote a tract on popular amusements in which he condemned novel read-

ing as one of the vices of the age. CHRONIC DERANGEMENTS of the Stomach, Liver and Blood are speedily removed by the active principle of the ingredien's entering into the composition of Parmelee's Vegetable Pills. These pills act specifically on the deranged organs, stimulating to action the dormant energies of the system, thereby removing disease and renewing life and vitality to the afflicted. In this lies the great secret of the popularity of Parmelee's Vegetable Pills.

Prosecutor Pobiedonstzeff is desirous of having

Tolstoi tried by the holy synod of Russia for heresy. As PARMELEE'S VEGETABLE PILLS contain Mandrake and Dandelion, they cure Liver and Kidney Complaints with unerring certainty They also contain Roots and Herbs which have specific virtues truly wonderful in their action on the stomach and bowels. Mr. E. A. Cairneross, Shakespeare, writes: "I consider Parmelee's Pills an excellent remedy for Billiousness and Derangement of the Liver, having used them myself for some time.'

A DINNER PILL .- Many persons suffer excruiating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment it becomes a poison to the system. Dr. Parmeles's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open secretions and convert the food partaken of into nealthy nutriment Toey are just the medicine to take if troubled with Indigestion or Dyspepsia.
