SEPT. 29.—The concert given by Miss Louie Taylor on Friday evening in the curling rink was one of the finest musical treats enjoyed here for some time. Madame Marie Harrison sang superbly, and won for herself rounds of applause to which she responded most willingly, and gracefully. She was attired in a beautiful gown of blue green satin with an over dress of crepe of the same delicate hue embroidered with rhine stones, and looked very pretty and graceful. She is wonderfully improved in voice and style of singing since her last appearance before a St. Croix audience.

Miss Louie Taylor, tastefully attired in a pretty gown of white tulle silk, gave several violin solos. Mr. G. S. Mayes and Miss Ina Brown of St. John, together with Miss Berta Taylor, who was accompanist assisted in making this concert the success it was. The Misses Taylor left to-day for Pittsburg Pennsylvania where they will spend the winter and attend to numerous musical engagements in that city and also in the vicinity.

Mr. Verne Clarke of St. Andrews was in town, the guest of his brother Mr. George Clarke, part of last week.
Mr. and Mrs. George Trueman, of St. Martins have been the guests recently of Mrs. M. S. Main. The sad and unexpected news of the death of Mrs. Isabelle Cameron, wife of Mr. Augustus Cameron which occurred in Boston on Thursday was a great shock to her circle of friends, and has cast a gloom over the whole community. For several months past, Mrs. Cameron's health has failed and accompanied by her husband she visited Boston seeking medical advice and treatment. Every hope was given them of a full recovery, and Mr. Cameron returned home feeling sure that in a short time she would be restored to her usual health. On Thursday a telegram brought the sad news that she had passed swiftly away that day at St. Margarets Home, although surrounded by skillful physicians and every effort made to revive her. Mrs. Cameron was the second daughter of the late Hon. E. B. Harvey, a prominent lawyer in Calais, she was but forty-two years of age. She was a woman of rare qualities of mind and intelligence, she will be greatly missed not only in her home, but also in her church, and her influence and work in the Mission Band of the Presbyterian church will be a sad loss to that branch of the church. Her remains were brought home on Saturday, and the funeral services took place on Saturday afternoon from her late residence, Rev. A. A. McKenzie of the Presbyterian church assisted by Rev. C. G. McCully conducted the funeral services. The flowers sent by sincere and sympathizing friends, were most beautiful, particularly a wreath of white carnations and roses sent by the Current news club, of which she was a valued member. Mrs. Cameron leaves beside her husband, two young sons Allan and Donald, and her mother and two sisters, to mourn her irreparable loss.

No other oil and no other medicine has ever been discovered which can take the place of Cod-liver Oil in all conditions of wasting. New remedies come, live their little day and die, but Cod-liver Oil remains the rock on which all hope for recovery must rest. When it is scientifically prepared, as in Scott's Emulsion, it checks the progress of the disease, the congestion and inflammation subside and the process of healing begins. There is the whole truth. Book about it free.

They don't agree

—your pocket-book and your wash-board. One tries to keep your money—the other wastes it. You'd better consult your pocket-book, do your washing with Pearline, and put the wash-board out of the house. There's no room or place for it with Pearline (no soap), nor for any of its wearing-out, tiresome rubbing. You'll be doing your pocket-book a good turn, and help toward making it fatter and sleeker, if you'll do all your washing and cleaning with Pearline.

FEVER and AGUE and Bilious Derangements are positively cured by the use of Parmelee's Pills. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body. They are used as a general family medicine with the best results.

LASTING EFFECTS.

REV. HY. CARTER, Maddock, Springfield, P. E. I. wrote the following under date June 1895:—"It is impossible for my wife to find words to praise your K. D. C. for what it has done for her. She suffered with water brash and awful distress, in fact, she was in misery all last winter, so much so, that she could not bear to have her clothes on, so I thought I would get her some K. D. C. Each dose seemed to tell, and long before she took two bottles she was cured, and can now eat anything."
This letter shows the great merit of K. D. C. and the following shows that its effects are lasting. Mr. Carter writes on July 31st, 1896, more than a year later:—"Some time ago I sent you a letter testifying to the value of your wonderful K. D. C. to my wife. She is still enjoying good health, with no signs of her old trouble." Try it sufferers. K. D. C. Pills are splendid for the liver and bowels.
