They are Gelatine Coated, and rolled in the Finest of Licorice to preserve their purity, and give them a pleasant, agreeable taste."

DIFFERENCE OF OPINION regarding the popular internal and external remedy, DR. THOMAS' ELECTRIC OIL—do not, so far as known, exist. The testimony is positive and concurrent that the article relieves physical pain, cures lameness, cracks, a cough, is an excellent remedy for pains and rheumatic complaints, and it has no nauseating or other unpleasant effect when taken internally.

"Here's the case of a man whose hair turned jet black to snow white in a year."

"Humph! My head turned bald six months after marriage."

Bickle's Anti-Consumptive Syrup stands at the head of the list for all diseases of the throat and lungs. It acts like magic in breaking up a cold. A cough is soon subdued, tightness of the chest is relieved, even the worst case of consumption is relieved, while in recent cases it may be said never to fail. It is a medicine prepared from the active principles of virtues of several medicinal herbs, and can be depended upon for all pulmonary complaints.

DYSPEPSIA AND INDIGESTION.—C. W. Snow & Co., Syracuse, N. Y., write: "Please send us ten gross of Pills. We are selling more of them than any other Pills we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Chas. A. Smith, Lindsay, writes: "Parmelee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these Pills have cured her."

DYSPEPSIA OR INDIGESTION is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also being the principal cause of Headache, Parmelee's Vegetable Pills taken before going to bed, for a while, never fails to give relief and effect a cure.
