YARMOUTH

April 20.—Since the close of the penitential season society has not fully awakened to its usual gaiety, so that I have but few teas and not one "grown up" party to record.

A man will defend his honor with his life. What is more dishonorable than unnecessary failure? Thousands of men make failures of life and die premature deaths.

These are but the forerunners of some dread disease like deadly consumption, or fatal nervous prostration. Dr. Pierce's Golden Medical Discovery is the best medicine for hard working men and women.

It cures all cases of weak stomach, impaired digestion and disordered liver. It gives keen edge to the appetite, makes the digestion perfect and the liver active.

It makes rich, red, pure blood and builds firm, healthy flesh. It builds new, healthy, muscular tissue in every vital organ.

It arouses the physical energies of the whole body. It cures 98 per cent. of all cases of consumption, bronchial, throat and kindred ailments.

Costiveness and biliousness. Doctor Pierce's Pleasant Pellets cure them. They strengthen and stimulate the overworked organs. They never gripe. One "Pellet" is a gentle laxative, two a mild cathartic.
