Disease weaves its web around people a little at a time. They are not dangerously ill all at once. The beginnings of illness are mere trifles. First a little indigestion, perhaps; or headaches; or an occasional bilious turn. It is hard to realize how you are being tangled up in the strands of sickness until you are fairly caught.

Nearly all serious illnesses begin with some stomach or liver trouble, or with a costive condition of the bowels. These functions have got to be put in good condition before there can be any recovery from any disease no matter what its name or nature, and it is because Dr. Pierce's Golden Medical Discovery acts directly upon the liver and digestive organs that it has such a marvelous effect upon all diseases of malnutrition.

It gives the digestive system power to assimilate nourishment and make good blood; it drives out bilious poisons; it creates the red, vitalizing, life-giving elements in the circulation; and builds up the weak and wasted places in every corner of the constitution.

Taken in conjunction with Dr. Pierce's Pleasant Pellets, it relieves obstinate constipation and keeps the bowels in a perfectly natural condition. Mrs. Ella Howell, of Derby, Perry Co., Ind., writes: "In the year of 1894 I was taken with stomach trouble—nervous dyspepsia. There was a coldness in my stomach, and a weight which seemed like a rock. Everything that I ate gave me great pain; I had a bearing down sensation; was swelled across my stomach; had a ridge around my right side, and in a short time I was bloated. I was treated by three of our best physicians but got no relief. Then Dr. Pierce's Golden Medical Discovery was recommended to me and I got it, and commenced the use of it. I began to see a change for the better. I was so weak I could not walk across the room without assistance. I took Dr. Pierce's Golden Medical Discovery and his "Favorite Prescription" and one bottle of the "Pleasant Pellets." I began to improve very fast after the use of a few bottles. The physicians who attended me said my disease was leading into consumption. I had quite a cough, and the home physician gave me up to die. I thank God that my cure is permanent."

Miss May Crowe, Miss Nelson, Miss Hensley, Miss Wetmore, Messrs. D. H. Muir, G. A. Hall, E. and B. Vernon, J. D. Ross, G. Williams, F. C. J. Swainson, N. MacKenzie, Dr. Hall, F. N. Cutten.

Owing to counter attractions the carnival, which came off last night was not such a success, in regard to costumes or the attendance of spectators as usual. Mrs. Phillips costume was very quaint and becoming, her graceful skating displaying it to advantage. Mr. Mortimer Schurman in an up-to-date bloomer costume of gandy red, was a conspicuous figure. Mr. A. V. Smith, chaplain to H. M. S., Hercules looked his chaplainship of perfection. Mr. James Lawrence was a very "striking" impersonation of the uncivilized Zou. The rink management deserves great credit, for their very elaborate decorations.

The last of the series of quadrille assemblies came off last night in the Mercants bank building. It was an early affair breaking up promptly at midnight being the eve of Lent.

Much of the success of the evening was due to the very capable chaperoning of Mrs. Cyrus Archibald, Mrs. A. J. Patterson and Mrs. A. E. Randal.

Mrs. Archibald, wore a very becoming toilette of black silk.

Mrs. Patterson, violette mull profusely trimmed with white lace.

Miss Randall, a charming toilette of white brocade, bodice trimmed with chiffon and pearl em broidered.

Mrs. Howard Wetmore wore a striking and very becoming toilette of turquoise blue silk, bodice arranged with spangled tails and pearl passementerie.

Mrs. Harry Snook, wore a handsome gown of silk shot in brown and gold, lace and pearl ornaments embellishing the bodice.

Miss Snook, yellow brocade silk, white silk lace trimming.

Others present were: Mr. and Mrs. Taylor, Mr. and Mrs. Fred Fuller, Mr. and Mrs. Porter, Mrs. H. B. McLaughlin, Miss Nora Blanchard, Miss Emma Snook, Miss Bligh, Miss Frances Somerville, Miss Hensley, Miss Hocking, Misses Bigelow, Miss Robbins, Miss Steens, Miss Thompson, Miss McLeod, Miss Yorston, Messrs. Ross, McKay, Williams, Dickenson, Cotton Smith, Jamieson, H. Snook, H. McLoughlin, H. McDougall, H. H. Wetmore, C. W. Archibald, W. Laurence, W. Yorston, R. Hanson.

Branch 287 of the C. M. B. A. held a very successful "at home" on Friday evening Feb. 18th, the event being one of the most enjoyable that has taken place for a long time. The spacious lodge room of the society was gay with bright decorations and these together with the brilliant lights and pretty dresses of the ladies, who lent valuable services to their gentlemen friends, made the scene an especially attractive one. In addition to the interesting programme, various games were furnished for those who wished to take part, and at the close of the evening a tempting lunch was served by the ladies in charge, after which singing "God Save the Queen" brought the affair to a close. Those who assisted in the excellent entertainment were Mr. J. T. Hallisey, chairman, who made a splendid opening address in his happiest vein and who was followed in a like manner by Rev. Father Kissells, spiritual adviser of the branch, whose able address on the C. M. B. A., and its principles lasted nearly an hour and was greatly appreciated by all.

The very sad death occurred last Wednesday of Annetta—the little daughter of Captain and Mrs. Wm. Palmer. The child caught measles and had a severe relapse, which ended fatally.
