YARMOUTH.

[Progress is for sale in Yarmouth by Thomson & Co., E. J. Vickery, and J. A. Craig.]

JUNE 14.—Mrs. E. K. Spiney gave a very pleasant driving party to Port Maitland on Saturday. The merry crowd consisted of Mr. and Mrs. Spiney, Mr. Will Spiney, Mr. Rice, (Boston), Miss Susie Bacon Mr. and Mrs. S. Murray, Miss Marion Murray, Dr. and Mrs. Farish, Mildred Farish, Miss Rita Ross, Dr. Webster, and Mrs. Webster. The picnic party at Sand Beach had many funny episodes, and they have not yet quit talking about it. Yarmouth never looked gay on a gloomy day than on this day. The entire population for miles around had seemingly come to town, and the streets toward nightfall were fairly alive with moving pedestrians.

We have had quite a seizure of St. Thomas recently but one of the prettiest affairs of the kind was given by Mrs. L. B. Wyman on Friday afternoon from five to six. This function was given complimentary to Mrs. W. K. Mollison, Mrs. Wyman's sister, who is visiting here from St. John, and who will be remembered as the mother of the clever little lady, Miss Ethel Knight Mollison, recently here with a dramatic company. The large and handsome rooms were transformed into veritable Flora's groves, so beautiful and profuse were the roses, trailing vines and exquisite wood ferns. The entire side of the reception hall was backed with green, while glimpses into the tea room showed roses and epergnes of red roses and masses of pansies. The tasteful and unique decorations called forth many words of praise on all sides, and this home, considered one of the handsomest in the province, poured forth its beautiful hospitality on this particular afternoon to over a hundred of the fair sex. The guests were met at the entrance by two little maids, Miss Grace Wyman, in green and white, and Miss Marion Hatfield in a charming frock of pink silk with shoulder bows. Mrs. Wyman was gown in black broadcloth satin with a bodice of lavender crepe de chine which proved particularly becoming to her fair beauty.

Mrs. Mollison wore a handsome gown of blue satin elaborate with velvet, lace and applique trimmings. Mrs. Rising received with the ladies and was looking extremely well. Bright chat and gay repartee filled the time until Mrs. Chase wore a gown of rosy Dresden pattern, guided the different groups to the tea room which was picturesque with flowers, decorated tables and a bevy of young ladies in gowns of rainbow tints.

Miss Grace Horton, dainty green silk.

Miss Josie Cann, a beautiful gown of lavender over a pink underdress.

Miss Ethel Wyman, petite and fair in white silk with low bodice rich with pearl passeretterie.

Miss Laura Lawson, black silk with delicate pink cassage.

Miss Lennie Wyman, and Miss Ethel Crosby like twin flowers in white over pink.

Miss Alma Bain, as sweet as a violet in violet

colored organdy with low bodice, and Miss Edna Wyman who wore a very artistic dress of pink crepon with chiffon trimmings. The supper was daintily elaborated and all that the palate could demand. Mrs. Wyman is to be congratulated on the charming success of her afternoon.

On Friday evening Hon. Mrs. Ford gave a very pleasant party to the sweet sixteen in honor of Miss Smith who is a guest of Miss Ford's. About thirty five were present playing whist until the "wee sma' hours" then dancing for an hour or more. Miss Kate Jolly won the first prize which was a very pretty cut glass bon-bon dish. All the guests voted it as one of the very nicest party of the season.

The entertainment given at the Trinity Sunday school room on Monday evening by Miss Mabelle reader and Miss Printup violinist was quite successful in every way. Miss Biggart's selection was the dramatized form of Adam Bede, Geo. Eliot's masterpiece. The presentation which was without doubt a difficult one, was very closely effected by Miss Biggart, and the prison scene was by far her best effort and won enthusiastic applause. Miss Printup as a violinist is unusually pleasing and shows much style and rhythm in her bowing. Her selections were of the highest order. Both of these ladies came to Yarmouth with the best of recommendations and are certainly artists in their chosen profession.

Mrs. Morton of Williams street gave a very pretty children's party on Monday evening in honor of all the girls visiting at this lady's home.

On Tuesday afternoon of this week Mrs. Bown entertained very pleasantly several ladies at five o'clock tea.

The many friends of Mr. Ross Parker are sorry to learn of his being confined to his room with a very severe case of the grip.

The Tennis tea at the tennis grounds on Wednesday afternoon was a very great success. The different members assembled and had a jolly meeting and contest with the racket after the winter's vacation. Every afternoon the court has been the general rendezvous for the young set and some exciting games played.

Hon. L. E. Baker was in Boston a few days in the interest of his business.

ANNAPOLIS ROYAL.

JUNE 16.—No event for along time past has created more general interest in Annapolis or the surrounding country than the closing exercises at St. Andrews school on Tuesday afternoon and evening. It had been intended to have a garden party, but the weather prevented, which was at first a disappointment to many, rapidly effaced by the perfection of the indoor arrangements. The gymnastic display was an entire novelty to the majority of those present, consisting of physical drill to musical accompaniment, followed by exercises on the horizontal and parallel Bars, ladder, rings and vaulting horse and a most exciting boxing contest between young boys of the junior boys, Hugill, Montreal, and Standfield, Springfield. The squad leaders were Withers and West, Annapolis, Hugill, Montreal, and Rand, Halifax. After a few words of congratulation from the Rev. H. How, the prizes were distributed by Mrs. J. M. The head master, Mr. H. M. Bradford, then expressed his thanks to Mr. Owen and to the many in Annapolis who had proved friends to the school and whose support and help had done so much toward its success. The boys had been entertained in many ways and at many houses, which had gone far to relieve the monotony of the winter, without preventing them from doing a most satisfactory year's work. Mr. Bradford announced the formation of two new courses for the coming year,—one in carpentry under Mr. George Wells, and one in horticulture (grafting) budding etc.) under well known nurseryman, Mr. Clark.

At the conclusion of Mr. Bradford's remarks tea and other refreshments were served, and a pleasant half hour or so spent in informal chat, when the guests departed, most of them to return at 8 o'clock to the dance.

The decorations both in the house and gymnasium were particularly pretty: for the dance, at which nearly 150 people were present, the two school rooms and dining room were cleared with the band in the hall between. Altogether it was a pretty scene and a delightful evening, and the Bradford ball connected with St. Andrews have the hearty congratulations of the Annapolis people on the successful ending of a prosperous year.

Among the guests were the Rev. H. and Mrs. de Blois, Rev. H. and Mrs. How, Rev. E. B. and Mrs. Moore, Rev. D. I. Summers, Rev. Mr. Douglas and Rev. I. C. and Mrs. White, Judge and Mrs. Savary, Judge and Mrs. Owen, Mrs. J. J. Ritchie, Mrs. and the Misses Robinson, Mrs. Charles Burrill Mr. S. Wainson, Mrs. J. W. Beckwith, Mr. J. W. Leul, Mrs. Shadner, Miss Stuart, and Miss Dearness.

Annapolis station presented a gay scene on Wednesday morning at the departure of the many visitors and the majority of the St. Andrews boys. Cheers were given for the head master, for Mrs. Bradford, Mrs. Owen, Judge Owen, and finally for the people of Annapolis. Many of the boys came from a considerable distance; for instance, there are members from Boston, the Magdalen Islands Montreal, Springfield and Halifax.

The King's college matriculation begins today, and five of the boys have stayed over for it. Annapolis being a local center this year, the exam. will be held at St. Andrews.

THINGS OF VALUE.

A story is in circulation to the effect that the city of Washington stands on leased ground, and that the lease must be renewed in 1899.

There never was and never will be, a universal panacea, in one remedy, for all the ills to which the flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient, what would relieve one ill, in turn, would aggravate the other. We have, however, in Quinine Wine, when obtainable in a sound unadulterated state, a remedy for many and grievous ailments. By its gradual and judicious use, the frail systems are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restorative. It relieves the drooping spirits of those with whom a chronic state of morbid dependency and lack of interest in life is a disease, and, by tranquilizing the nerves, disposes to sound and refreshing sleep—imparts vigor to the action of the blood, which being stimulated, courses through the veins, strengthening the healthy animal functions of the system, thereby making activity a necessary result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance—results, improved appetite, Northrop & Lyman's Quinine Wine, have given to the public their opinion of Quinine Wine at its best, and, ranged by the opinion of scientists, this wine approaches nearest perfection of any in the market. All druggists sell it.

There have been over sixty lions in the London Zoo during the last fifty years, many being presented from the Queen or members of the royal family.

There are so many cough medicines in the market, that it is sometimes difficult to tell which to buy, but if we had a cough, a cold or any affliction of the throat or lungs, we would try Bickel's Anti-Consumptive Syrup. Those who have used it think it is far ahead of all other preparations recommended for such complaints. The little folks like it as it is as pleasant as syrup.

The Proprietors of Parmelee's Pills are constantly receiving letters similar to the following, which explains itself. Mr. John A. Beam, Waterloo Ont., writes: "I never used any medicine that can equal Parmelee's Pills for Dyspepsia or Liver and Kidney Complaints. The relief experienced after using them was wonderful." As a safe family medicine Parmelee's Vegetable Pills can be given in all cases requiring a cathartic.

No family living in a bilious country should be without Parmelee's Vegetable Pills. A few doses taken now and then will keep the Liver active, cleanse the stomach and bowels from all bilious matter and prevent Ague. Mr. J. L. Price, of Martins Co., Ind., writes: "I have tried a box of Parmelee's Pills and find them the best medicine for Fever and Ague I have ever used."

France pays in pensions every year 70,000,000 francs, of which 25,000,000 are subtracted from the salaries of officials.

Colic and Kidney Difficulty.—Mr. J. W. Wilder, J. P., Leavenworth, Mo., writes: "I am subject to severe attacks of Colic and Kidney Difficulty, and find Parmelee's Pills afford me great relief, while a longer remedy have failed. They are the best medicine I have ever used." In fact so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body.

Java is said to be the region of the globe where it thunders most often, having thunder storms, on an average, 97 days of the year.

For Nine Years.—Mr. Samuel Bryan, Theford, writes: "For nine years I suffered with ulcerated sores on my leg; I expended over \$100 to physicians, and tried every preparation I heard of or saw recommended for such disease, but could get no relief. I at last was recommended to give Dr. Thomas' Electric Oil a trial, which has resulted, after using eight bottles (using it internally and externally) in a complete cure. I believe it is the best medicine in the world, and I write this to let others know what it has done for me."
