Where Welcome Soap is Used

there is no bitterness, "Blue Monday" is not known, wash-day is as pleasant as any other day, because Welcome Soap enables the Laundress to do the work easily, quickly and thoroughly. Welcome Soap has eliminated drudgery and therefore is the great sweetener of the lives of home-keeping people.

It drives dirt from every hiding-place. Where it is used there can be no Uncleanliness.

Overheated?

Unless you cool the blood you can't keep cool and you can't quench thirst. Stowers' Pure Concentrated Lime Juice acts naturally in allaying thirst by first cooling the blood. Too many so called "thirsty" beverages induce greater heat and hurt digestion.

The pure juice of West Indian Limes is recommended by the highest medical authority for its healthfulness. "There is no musty flavor" to Stowers.

Stowers' Lime Juice.

Best grocers sell it.

Blue Flame Oil Stoves

SAFE AND DURABLE. 2 or 3 Burners.

Boils one quart of water in four minutes.

Burns with a clear blue flame, without smoke, and a heat of the greatest intensity. Burners are brass, and so made that wicks can be replaced in a few minutes as in an ordinary lamp. Wicks are 10 inches in circumference and should last one year.

Patent Wick Adjustment keeps the wicks from being turned too high or too low.

Frames and Tops are made of steel and cannot be broken. Oil Tanks are placed where they will not heat and there are no perforated plates or braces surrounding the burners to retain any char or oil soakage, thus preventing odor.
