Women whose faces are disfigured by eruptions, pimples and blotches too frequently fail to understand that these are but the outward symptoms of inward disorders. They resort to various cosmetics, ointments and powders, not knowing that all the while the trouble is not in the skin, itself, but in the system.

In the majority of cases these unsightly skin diseases are due to two things, weakness and disorders of the distinctly feminine organism, and impurities of the blood caused by them.

The largest function in the way of a dance occurring here for some time, was that given by Mrs. Martin Dickie on Monday night in the Merchant's Bank.
