In

Dr. R. V. Pierce, of Buffalo, N. Y., he will find that kind of a physician. For thirty years Dr. Pierce has been chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo. He is the discoverer of a wonderful

medicine known as Dr. Pierce's Golden Medical Discovery. It is a marvelous medicine for broken down men and women. It whets the appetite, purifies the blood, makes the digestion perfect and the liver active. Through the blood it acts directly on every organ of the body, driving out impurities and disease germs. It is the great bloodmaker, flesh-builder and nerve-tonic. It cures nervous prostration and exhaustion, malaria, liver troubles, rheumatism, blood and skin diseases and 98 per cent. of all cases of consumption, weak lungs, spitting of blood, lingering coughs and kindred ailments. When you ask a dealer for the 'Golden Medical Discovery' insist upon having it. A dealer is not a physician and has no right to advise some substitute.

When the trouble is of long standing write to Dr. Pierce, who will answer letters from sufferers without charge. Very serious or complicated cases, or those needing surgical treatment, sometimes find it necessary to come to the Invalids' Hotel and Surgical Institute, at Buffalo, for personal treatment and care. Dr. Pierce can be addressed there.
