George Francis Train, the famous sage of Madison Square, who has for thirty years declined the companionship of any one but children, says, "I am a child myself."

If a man will live rightly and take proper care of his health during youth and maturity he may live to a green old age, and still be able to say with absolute truth, "I am a child myself."

Youth is not a matter of years. Happiness is not a question of experiences. Youth is happiness and health is youth.

The healthy person, young or old, will be a happy person. It is a simple matter to get the body into a healthy condition and then to keep it there.

Dr. Pierce's Golden Medical Discovery is the greatest of health makers and health savers. It is the great blood-maker and flesh-builder.

It makes the appetite keen, the digestion and assimilation perfect, the liver active, the blood pure, the muscles strong, the brain clear, the nerves steady and every vital organ in the body healthy and vigorous.

It makes firm, healthy flesh, but does not make corpulent people more corpulent. It does not make flabby flesh like cod liver oil.

It purifies the blood and drives out the poisons of malaria and rheumatism. It is the best remedy for blood and skin diseases.

It cures 98 per cent. of all cases of consumption. Grateful patients, who had been given up to die, have permitted their experiences, names, addresses and photographs to be reproduced in Dr. Pierce's Common Sense Medical Adviser.

The sufferer who wishes to investigate may write to any of these. The "Golden Medical Discovery" is sold by all medicine dealers, and only unscrupulous dealers will try to induce a customer to take some worthless substitute for the sake of a few pennies added profit.

Send 31 one-cent stamps to cover cost of mailing and customs only, for a copy of Dr. Pierce's 1008-page "Common Sense Medical Adviser," in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

and in the evening addressed a number of his friends in the Hall of the Parish House.
