SEPT. 28.—September though it has been a chilly and inhospitable month so far seems to be almost as popular a month for weddings this year as merry June. There were no less than three last week in which Monton people were interested, although only one took place actually in the city. The first took place on Tuesday morning at Bouché at the home of the bride's father, Mr. B. H. Foley, when Miss Maggie Foley was married to Mr. R. A. King, barrister of Bouché. The ceremony was performed by Rev. C. H. Manston in the presence of the immediate relatives and friends of the bride and groom. The bride looked charming in a handsome travelling costume and was unattended. Miss Foley was one of the most popular young ladies in Kent county, and was very well known in Monton where she has numerous friends, while the groom who was at one time a resident of this city is well and favorably known here. His Monton friends will join in wishing both his fair bride and himself every possible happiness. Mr. and Mrs. King passed through Monton on their way to Halifax where part of their honeymoon will be spent.
On Wednesday morning a quiet but very pretty wedding took place at the residence of Mr. Hazen Carter of Lutz street, when his second daughter Miss May Carter was married to Mr. John A. Johnson of the I. C. R., Rev. J. M. Robinson pastor of St. John's Presbyterian church performed the ceremony in the presence of the near relatives and friends of the bride and groom. The bride was attired in a very pretty travelling suit and looked charming; she was attended by Miss Bessie Gunning, Mr. James Kelly occupying the important position of best man. Mr. and Mrs. Johnson left by the morning train for Halifax and other points of interest in Nova Scotia. The bride received many very handsome presents testifying to the esteem in which both she and her husband are held by their numerous friends.
The third of this interesting series of events took place at Pettitodiac when Miss Hattie J. Cochrane only daughter of Mr. J. D. Cochrane of that place was married to Mr. Hugh W. Church, also of Pettitodiac. The ceremony took place at the residence of the bride, and was performed by Rev. H. R. Baker, in the presence of a number of guests. The bride wore a beautiful tailor made travelling costume of cadet blue cloth, and was attended by Miss Carrie Weldon of Monton and given away by her uncle, Mr. E. C. Jones, also of this city. The groom was supported by his brother Mr. Robert Church. Amongst the many beautiful gifts received by the bride was a very handsome gold brooch thickly studded with pearls, the gift of the groom, who also presented the bridesmaid with a beautiful opal ring. After the ceremony Mr. and Mrs. Church took the C. P. train to St. John, from whence they intend crossing to Digby, Halifax and Boston on an extended wedding trip.

I hear of at least two other weddings which are to take place next month but as yet no definite information on the subject has been made public.
Mrs. W. H. Price the most recent of Monton's brides gave an "at home" on Thursday evening.

ing at her cottage to a number of Monton people. Mrs. Price received her guests in her wedding gown, of cream colored satin, and was assisted in the arduous duties by her mother-in-law Mrs. E. Price. The parlors were prettily decorated, and a small orchestra under direction of Prof. W. H. Watts furnished a programme of music during the evening. Miss Williams and Miss Nellie Lyons dispensed refreshments and ably assisted the hostess in entertaining her guests. The function lasted from eight to ten o'clock.
Mr. and Mrs. John Lyons left home on Saturday to spend a few days in Quebec.

Anyone passing the store of Mr. George C. Allen druggist; and glancing hastily into the window would be inclined to imagine that gentleman had combined the drug and jewelry business, so dazzling is the display of gold and silverware contained therein. A close inspection however, reveals the fact that the stock in trade consists of no less than sixty-three medals! all the property of four young Monton athletes and all now in open competition. There are twenty three prizes won by C. H. Smith, eighteen medals, two silver cups, one dressing case or spoon, and a handsome steel engraving. Nineteen prizes won by Ersk Scott, five silver cups, thirteen medals, and one news paper weight. Fifteen prizes belonging to W. S. Davidson eight medals five silver cups, and one perfume case, and one pair of opera glasses. And six prizes won by G. W. Stanley, two silver cups, three medals, and one gold watch. No wonder the people of Monton are proud of the young champions of the M. A. A. A. Mrs. Wood, of Boston, is spending a few weeks in town, the guest of her daughter, Mrs. H. A. Peters of Church Street.

THINGS OF VALUE.

According to French law, upon the expiration of the franchise of an electric railroad company, the entire line with all power stations becomes the property of the state.

We have no hesitation in saying that Dr. J. D. Kellogg's Dystentory Cordial is without doubt the best medicine ever introduced for dysentery, diarrhoea, cholera and all summer complaints, sea-sickness, etc. It promptly gives relief and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

Within the Antarctic circle there has never been found a flowering plant.

How curious a thing it is that earnest and sincere, if not always wise, consideration and study of social conditions lead so often to mental disorder, despair and suicide observes the New York Journal.

Mother Graves' Worm Exterminator has the largest sale of any similar preparation sold in Canada. It always gives satisfaction by restoring health to the little folks.

It is now quite a common thing to see in notices of buildings to let in Paris that "A special basement is reserved for bicycles."

A Berlin doctor has declared that not one of Germany's professional bicyclists possesses a sound heart.

It is only necessary to read the testimonials to be convinced that Holloway's Corn Cure is unequalled for the removal of corns, warts, etc. It is a complete extirpator.

The name vowel which we apply to an awkward rustic, signified formerly one who yoked oxen and other animals.

Skepticism—This is unhappily an age of skepticism, but there is one point upon which persons acquainted with the subject agree, namely, that Dr. Thomas' Ecolitric Oil is a medicine which can be relied upon to cure a cough, remove pain, heal sores of various kinds, and benefits any inflamed portion of the body to which it is applied.

Washing is sometimes effected in Japan by getting into a boat and letting the garments drag from the stern by a long string.

PREVENT DISORDERS.—At the first symptoms of internal disorder, Parmelee's Vegetable Pills should be resorted to immediately. Two or three of these salutary pellets, taken before going to bed, followed by a dose of one or two pills for two or three nights in succession, will serve as a preventive of attacks of dyspepsia and all the discomforts which follow in the train of that fell disorder. The means are simple when the way is known.

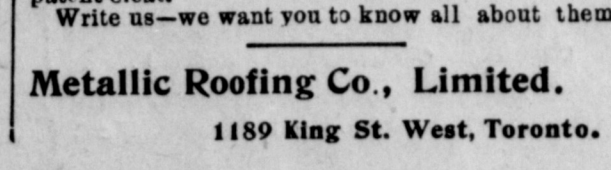

The great barrier reef along the coast of Australia about 1,500 miles long, and the work of coral polyps. Sometimes it rises almost perpendicularly from a depth of 1,200 fathoms.

DO NOT DELAY.—When through debilitated digested organs, poison finds its way into the blood, the prime consideration is to get the poison out as rapidly and as thoroughly as possible. Delay means disaster. Parmelee's Vegetable Pills will be found a most valuable and effective medicine to assail the intruder with. They never fail. They go at once to the seat of trouble and work a permanent cure.
