### Acute Rheumatism

**Pains in the Foot and Limb—A Complete Cure Accomplished by Hood's Sarsaparilla.**

"For a number of years I was afflicted with acute rheumatism in my left side and all the way down my limb into my foot. I live five blocks from my work and had to stop and rest several times in going and coming. I could get no relief from my trouble and was on the point of giving up my job when I happened to hear of Hood's Sarsaparilla. I purchased a bottle of this medicine and a trial of Hood's Pills and began taking them. Before I had half finished them I was relieved and it was not long before I was completely cured. I never lose an opportunity to praise Hood's Sarsaparilla, for my cure meant a great deal to me, as I have a family and must always be at my post."

B., of which college he is practically the founder, and upon whose teaching staff he found his newly-made bride. Solid silver, cut glass, rare china, pictures and dainty fancy work were amongst the choice articles which covered three large tables in the room.

After the wedding ceremonies were over, and the bridal couple and guests had departed, Mrs. Hooper entertained a large number of the bride's girl friends at afternoon tea, when further congratulations were offered, as the gifts were admired and tea and bride cake discussed.

#### EVANDALE.

AUG. 18.—The Sundays have all been so fine of late and week day weather so indifferent to the interest of the farmer and the pleasure of the tourists that we have come to the conclusion that Sunday excursions are especially favored by the clerk of the elements. "Star Line weather" is the rule for Sundays now. Last Sabbath was a beautiful day and out of the four or five hundred of people on the Victoria who sought health and pleasure en route to the Jemseg forty found a congenial landing and a good dinner at Evandale. AUG 17.—Picnic parties and garden parties are following each other in rapid succession now that the vacation days are nearly over. Roy and Guy Morrison gave very enjoyable garden party and dance to about seventy five of their young friends at "Riverside" on Wednesday evenings the beautiful grounds surround the residence of Mr. Morrison presented an appearance almost like fairy land, lighted as they were with hundreds of chinese lanterns and colored lights. Hanlon's orchestra supplied the music and dancing was kept up until the wee sma hours. I understand the party was given in honor of Mrs. Morrison's guest Miss Carrie Murchie of St. Stephen.

On Thursday evening Miss Woodbridge entertained about fifty friends at O'd Government House when dancing and cards were the pleasure of the party. Another family will lose two of its daughters but more anon.

### A DOCTOR'S DIRECTIONS.

They save a daughter from blindness.

When a father writes that yours "is the best medicine in the world," you can allow something for seeming extravagance in the statement if you know that the medicine so praised, cured a loved daughter of disease and restored to her the eyesight nearly lost. The best medicine in the world for you is the medicine that cures you. There can't be anything better. No medicine can do more than cure. That is why John S. Goode, of Orrick, Mo., writes in these strong terms: "Dr. Ayer's Sarsaparilla is the best medicine in the world. My daughter had a relapse after the measles, due to taking cold. She was nearly blind, and was obliged to remain in a dark room all the time. The doctors could give her no relief; one of them directed me to give her Dr. Ayer's Sarsaparilla. Two bottles cured her completely."

The thousands of testimonials to the value of Dr. Ayer's Sarsaparilla repeat over and over again, in one form or another the expression: "The doctors gave her no relief; one of them directed me to give her Dr. Ayer's Sarsaparilla. Two bottles cured her." It is a common experience to try Dr. Ayer's Sarsaparilla as a last resort. It is

a common experience to have Dr. Ayer's Sarsaparilla prescribed by a physician. It is a common experience to see a "complete cure" follow the use of a few bottles of this great blood purifying medicine. Because, it is a specific for all forms of blood disease. If a disease has its origin in bad or impure blood, Dr. Ayer's Sarsaparilla, acting directly on the blood, removing its impurities and giving to it vitalizing energy, will promptly eradicate the disease. The great feature of Dr. Ayer's Sarsaparilla is the radical cures that result from its use. Many medicines only suppress disease—they push the pimples down under the skin, they paint the complexion with subtle arsenical compounds, but the disease rages in the veins like a pent-up fire, and some day breaks out in a volcanic eruption that eats up the body. Ayer's Sarsaparilla goes to the root. It makes the fountain clean and the waters are clean. It makes the root good and the fruit is good. It gives Nature the elements she needs to build up the broken-down constitution—not to brace it up with stimulants or patch it up on the surface. Send for Dr. Ayer's Sarsaparilla, and learn more about the cures effected by this remedy. It's sent free, on request, by the J. C. Ayer Co., Lowell, Mass.
