"YES OR NO."

When a young woman answers "yes" to the impetuous wooing of an honorable and ambitious young man, it depends largely on whether she will be a happy or an unhappy wife. A young wife who suffers from weakness and disease of the delicate and important organs that are distinctly feminine is sure to fall of happy wifehood. Dr. Pierce's Favorite Prescription imparts health, strength, virility and elasticity to the womanly organism. It fits for healthy wifehood and capable motherhood. It allays inflammation, heals ulceration, soothes pain and invigorates and vitalizes. It banishes the nausea and complaints of the expectant period and makes the little one's arrival easy and almost painless. It insures baby's health and a bountiful supply of nourishment. Thousands of homes that for years had only needed the added tie of a baby to make them happy now resound with the laughter of happy, healthy childhood, as a result of the use of this remedy. Over 60,000 women have testified to its marvelous results in writing.

This wonderful medicine is the discovery of an eminent and skillful specialist, Dr. R. V. Pierce, for thirty years chief consulting physician to the great Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. By writing to Dr. Pierce, ailing women can secure the free advice of a specialist who has treated more women than any other physician in the world, and avoid the disgusting examinations and local treatment insisted upon by obscure doctors. The "Favorite Prescription" is sold by all good medicine dealers.

Send thirty-one one-cent stamps, to cover cost of customs and mailing only, for a paper-covered copy of Dr. Pierce's Common Sense Medical Adviser. Cloth binding fifty stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

At 1 the stores and public buildings and many private residences were decorated in honor of the day, and the stars and stripes and Union Jack could be seen flying together where ever there was decoration. The demonstrations began at twelve o'clock on Sunday night, when cannons boomed, bells were rung and the band played, "The Star Spangled Banner." God Save the Queen, Sheridans March to Georgia and other stirring airs, this midnight celebration lasting until two o'clock Monday morning, at seven o'clock, the sports began, and were kept up with vigor until late Monday night.
