One of the most successful dances of the season was held Friday evening at Hillside hall, South street. It was given by the gentlemen guests of 'Hillside,' who entertained over a hundred prominent society people of the city and a number of American visitors.

The party danced in the dining room, which was decorated for the occasion. Music was supplied by the harpers, and the fantastic was tripped until 2 o'clock.

Some of the dresses worn by the ladies were very handsome. A number of dances have, been held at Hillside in recent years, but these were quite eclipsed by the one of last evening. The following is a list of those who attended.

A Maiden's Dream.

Thousands of young women dream day-dreams of the youthful hero and his handsome bride. They know that to lead them to the altar of wed-lock—dreams that are fated never to come true because of the ill-health of the fair dreamer.

Young heroes now-a-days are hard-headed rather than hard-hearted. They know from reading and hearsay that a young woman who suffers from weakness and disease in a womanly way cannot well prove a happy, helpful, amiable wife and mother.

Physicians tell young men that weakness and disease of the feminine child-beggetting organism make women sickly, nervous and despondent in spite of the best of natural dispositions. Dr. Pierce's Favorite Prescription makes these organs strong, healthy, vigorous and elastic. It fits for wifehood and motherhood. It allays inflammation, heals ulceration and soothes pain. It tones and steadies the nerves. It does away with the qualms of the period of expectancy and makes baby's advent easy and almost painless. It frees mother's health. Dr. Pierce is an eminent and skillful physician, who, during his thirty years' experience as chief consulting physician to the great Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., has treated thousands of women. He will answer letters from women free.

Very many women who have become happy, healthy wives and mothers through the use of Dr. Pierce's Favorite Prescription have permitted their experiences, names, addresses and photographs to be printed in Dr. Pierce's Common Sense Medical Adviser. This great work used to cost \$1.50. Now it is free. It contains 1,008 pages and over 300 illustrations. Several chapters are devoted to the reproductive physiology of women. For a paper-covered copy send 31 one-cent stamps, to cover customs and mailing only, to the World's Dispensary Medical Association, Buffalo, N. Y. Cloth binding, 50 stamps.

The dance given by Mr. and Mrs. Davidson on Thursday evening has now passed into social history as the most splendid private entertainment ever given in this community. Such a result was reached by the exercise of exquisite taste and a scrupulous regard to every detail which goes to make a truly good entertainment. Mrs. Davidson has an ingenious method of arranging flowers gracefully and every room which was brilliantly lighted was gaily decorated with bright flowers and blooming plants. The surface of the room reserved for dancing was a marvel of smoothness that delighted the devotees of the tepid-schorean amusement. The programme of dances consisted mainly of waltzes, two-step, caprice and jersey although the minuet and gavotte were danced along with several favor figures, the favors being trifles, in very good taste, such as fashion dictates to-day. Mrs. George Jones won the favor by dancing to perfection The Highland Fling in its accustomed garb.

During the early part of the evening games at cards were played such as Fan-tan, caboce, bezique and pldro. Ice cream and sponge wafers were served throughout the evening while it was well past midnight ere all were seated to supper at a table daintily set with fine china, cut-glass, silver and cut flowers and which was heavily laden with every delicacy of the season, for there was an extensive menu to choose from, and every number proved delicious.

Previous to supper a short programme of music was carried out, Mrs. Davidson presiding at the piano. The first on the list was a grand chorus, "An up-to-date melody" joined by all, then followed a duet, "Beautiful Moonlight"—Glover—by Mrs. Davidson and Mrs. Gordon. (Mrs. Gordon is a leading singer in one of Boston's city churches), next came a solo by W. C. Davidson who has a beautiful tenor voice, entitled "In youth why should thou sorrow" then followed a trio "Distant Chimes" by Mesdames Gordon, Treen and McCully. The next was a solo by Mr. Stockton, "Whether my heart be glad or no" which brought forth a hearty encore as it thoroughly deserved on account of its excellent rendition. Then some instrumental music followed by Miss Florence Jones and Mrs. Gordon, after which came the last number "First time met" a full chorus by all.

Mrs. Davidson received her guests in a very stylish frock of black bengaline silk with corsage of cerise silk with white spotted chiffon.

Quality Counts in Home Dyeing.

Progress, is the watchword of all economical women who dye at home—old fashioned powder dyes that streak are relics of a forgotten past. The day of uncertainty about results in Home Dyeing had an inglorious ending with the advent of that New English Home Dye of highest quality (it washes and dyes at one operation) Maypole Soap.

Clean to use—quick and sure in the brilliant colors it yields—fast beyond a single question. You can dye to any shade with it. Prepared by eminent scientists from ingredients of the very highest quality. It is the Dye of Quality.

Maypole Soap Dyes.

If you can't get them of your druggist or grocer (to cents for any color or 15 cents for Black) send the money to the Wholesale Depot, 6 Place Royale, Montreal, and get the Soap and some useful advice about successful home dyeing.
