Few men understand When a woman is weak, sickly, nervous, fretful, irritable and despondent, the average husband imagines that she is

simply out of temper. An average husband will probably simply go out and leave her alone for awhile, "to have it out with herself." A bad husband is liable to go off and get drunk. The fact is that the poor wife is suffering from illness of a description that breaks a woman down sooner than any thing else. Her back is weak and aches. Her "sides stitch." She has pains and a dragging sensation in the abdomen. Her appetite is touchy and she suffers from nausea. She has sick headaches, giddiness, dizziness, cold chills, flushings of heat, shortness of breath, palpitation, disturbed sleep, frightful dreams, irregularities and nervous and trembling sensations. Her pain-racked nerves are a continual

A woman in this condition is suffering from weakness and disease of the delicate and important organs concerned in wifehood and motherhood. Dr. Pierce's Favorite Prescription makes these organs strong and well. It allays inflammation, heals ulceration and soothes pain. It has transformed thousands of sickly, nervous, petulant, childless and unhappy women into happy, healthy, helpful, amiable wives and mothers. It banishes the discomforts of the period of prospective maternity and makes baby's advent easy and almost painless. Good medicine dealers sell it and an honest druggist does not try to urge upon you an inferior substitute for a little extra

NCT A NAUSEATING PILL.—The excipient of a pill is the substance which enfolds the ingred ents and makes up the pill mass. That of Parmelee's Vegetable Pills is so compounded as to preserve their moisture, and they can be carried into any latitude without impairing their strength. Many pills, in order to keep them from adhering, are rolled in powders, which prove nauseating to the taste. Parmelee's Vegetable Pills are so prepared that they are agreeable to the most delicate.

How to CLEANSE THE SYSTEM.—Parmelee's Vegetable Pills are the result of scientific study of the effects of extracts of certain roots and herbs upon the digestive organs. Their use has demonstrated in many instances that they regulate the action of the Liver and the Kidneys, purify the blood, and carry of all morbid accumulations from the system. They are easy to take, and their action is mild and beneficial.
