

A large and brilliant assembly gathered at the I. O. O. F. rooms on Thursday evening in response to the invitations sent out by the Woman's Art Association for an at-home—a hospitable ending of the exhibition which the ladies have been holding. The night was an ideal one for such an event and nearly all who received invitations attended. The guests were welcomed by a committee of ladies and the members of the society generally were indefatigable in their efforts to make the function a thoroughly enjoyable one. The rooms were prettily arranged and the guests found an unbounded source of interest in the pictures and sketches which adorned the walls.

The tea table was daintily and artistically decorated in pink, roses being profusely used, and there graceful hospitality was dispensed by Mrs. H. McLeod, Mrs. A. L. Trueman, Mrs. Emerson and Mrs. McLean, assisted by a bevy of charming young ladies, who are included in the membership of the Association. Preceding the list of invited guests, is that of the officers of the Association and its members.

Does Tea Induce Sleeplessness? No; good pure tea, properly steeped will prevent a healthy person from sleeping—on the contrary, a tea like that sold in Tolley's Elephant Brand packets, is a nerve tonic, and distinctly beneficial.
