

ANAPOLIS.

OCT. 10.—The home of Mr. George Wells of Moschelle, was the scene of a very pretty wedding on Saturday, the 29 of September, when his eldest daughter, Sarah, was united in marriage to Mr. John B. Moyes of Natick, Mass. The ceremony was performed by Rev. Dean de Blois, the rector of the parish. The bride looked charming in a dress of purple silk, trimmed with grey silk and applique, and carried in her hand a magnificent bouquet of hot house roses imported from Boston by the groom. The groom's present to the bride was a handsome gold brooch set with diamonds and pearls, also a gold bracelet. The other presents were numerous and costly testifying to the high esteem in which the bride was held. After the ceremony the guests who were quite numerous sat down to a sumptuous dinner at a la fourchette, such as the good people of Moschelle know so well how to prepare. At one o'clock the happy couple were driven to Annapolis to take the Bluenose to Boston and Natick, their future home, attended by the good wishes of all their friends for a happy and prosperous life.

A pretty house wedding took place at the home of Mr. and Mrs. S. P. Clemenstons on Wednesday last, when their daughter Miss Lottie was married to Leonard Clayton Berry. The ceremony was performed by the Rev. T. J. Lingley in the presence of a large number of invited guests. The bride was attired in a gown of white Swiss muslin with Valenciennes lace and ribbons. The very large number of wedding presents received testified to the esteem in which the young couple are held.

THINGS OF VALUE.

Help your children to grow strong and robust by counteracting anything that causes ill-health. One great cause of disease in children is worms. Remove them with Mother Graves' Worm Exterminator. It never fails.

Some have no respect for truth, And frequently abuse it; While others have all due respect, But very seldom use it.

You cannot be happy while you have corns. Then do not delay in getting a bottle of Holloway's Corn Cure. It removes all kinds of corns without pain. Failure with it is unknown.

When a man is considered to be very clever his wife thinks that his greatest exhibition of cleverness was in picking her out to marry him.

Bickle's Anti-Consumptive Syrup stands at the head of the list for all diseases of the throat and lungs. It acts like magic in breaking up a cold. A cough is soon subdued, tightness of the chest is relieved, even the worst cases of consumption is relieved, while in recent cases of consumption it is said never to fail. It is a medicine prepared from the active principles of virtues of several medicinal herbs, and can be depended upon for all pulmonary complaints.

Wedgebury—My dear, I actually believe that new medicine has entirely cured my rheumatism.

Mrs. Wedgebury—Oh, I'm so sorry. Now we can never tell when it's going to rain.

Excellent Reasons exist why Dr. Thomas' Electric Oil should be used by persons troubled with affections of the throat or lungs, sores upon the skin, rheumatic pain, corns, burnings, or external injuries. The reasons are, that it is speedy, pure and unobtainable, whether taken internally or applied outwardly.

"I don't believe our boy Josh has much of a leanin' toward farm work," said Mrs. Cornstossel to her husband.

"Oh, yes he has," was the answer. "He keeps a leanin' and a leanin' tell finally he lies right down an' goes to sleep."

A Cure for Fever and Ague.—Parmelee's Vegetable Pills are compounded for use in any climate, and they will be found to preserve their powers in any latitude. In fever and ague they act upon the secretions and neutralize the poison which has found its way into the blood. They correct the impurities which find entrance into the system through drinking water or food, and if used as a preventive fevers are avoided.

Employer—"I dismissed my last watchman on account of his intemperate habits. Are you sober?" Applicant—"Yes, sir, very often."

Just the Thing That's Wanted.—A pill that acts upon the stomach and yet is so compounded that certain ingredients of it preserve their power to act upon the intestinal canal, so as to clear them of excreta, the retention of which cannot but be hurtful, was long looked for by the medical profession. It was found in Parmelee's Vegetable Pills, which are the result of much expert study, and are scientifically prepared as a laxative and an alternative in one.

Tenor (singing)—"Oh, 'appy, 'appy, 'appy be thy dream." Professor—Stop! Why don't you sound the H? Tenor—"It don't go up higher than G."

MORE THAN SHE EXPECTED.

A little girl well expressed the mingling of hope and doubt which anticipation holds for many people.

When she received her first 'very own' doll, after a succession of treasures inherited from her older sisters, she turned to her mother a face full of rapture.

"I expected I'd have a doll some day," she said, breathlessly, "but I didn't expect I should ever have my expect!"
