The beautiful berries and green leaves, reminding one of its cousin, the English holly, served as a background to enhance the charms of the bridal robe, which was a delicate grey, decorated with white silk and pearl trimming. ANAGANAC.

Nov. 21.—The obituary notice of Mrs R P Steeves' death was read with emotions of regret by the communities of Sussex, Portage and Anaganac. Mrs Steeves during the five years residence in our village endeared herself to everyone as she was an unquestionary "one of a thousand." In my estimation she exhibited a rare union of talent and piety, of ability and worth but she has doubtless exchanged the toils and duties of time for the rest and rewards of eternity. The Methodist church and its societies have received a severe loss as Mrs Steeves was a zealous worker in all good causes for she possessed a mind of no ordinary mould and a heart of no common virtue. Mr Steeves has sustained a loss of great magnitude and the many friends in this section extend their warmest sympathy to him and his dear family in this sad hour of affliction. Mrs Steeves was buried at Sussex on Tuesday the 16th inst and her remains were followed to its last resting place by a large concourse of people. Mr. and Mrs. Mc-

Mr and Mrs Jones and Mr George Holmes went to Petitoctiac today, to attend the wedding of their cousin Miss Jones. Mrs Davidson went to Sussex Friday to attend the dance in honor of Mr R C Sherwood, which was given by his bachelor friends, and reports a very enjoyable time. A programme of twenty four dances was carried out to excellent music and a dainty repast was served at midnight. Mr Sherwood will visit at his parents home in Upham until Yule tide when he intends going west to seek his fortune. Sussex sustains a great loss in Mr Sherwood's going away and his many friends seem loathe to say good-bye, as he was a general favorite. Mrs Roy Smith went to South Berwick over a week ago to visit her sister, Mrs Miller prior to her going to her new home in Bar harbour, Maine, where her husband has the position of General secretary of the Y M C A. It is needless to say that Mrs Smith will be much missed in social circles as it is an established fact that she was the instigator of all good works carried on in this place.

Gymnastics

Will do much to develop a muscular body. But the strength of the body is not to be measured by its muscle, but by its blood. If the blood is impure, the body, in spite of its bulk and brawn, falls an easy prey to disease.

There is no medicine equal to Doctor Pierce's Golden Medical Discovery for the purifying of the blood. It carries off the poisons which contaminate the life fluid. It increases the activity of the blood-making glands and gives the body an increased supply of pure, body-building blood. It builds up the body with sound, healthy flesh instead of flabby fat, promotes the appetite, feeds the nerves, and so gives to weak, nervous people vitality and vigor. There is no alcohol contained in "Golden Medical Discovery," and it is absolutely free from opium, cocaine and all other narcotics.

"I feel it my duty to write to you of the wonderful curative powers of your 'Golden Medical Discovery.'" writes George S. Henderson, Esq., of Denand, Lee Co., Florida. "I had a bad bruise on my right ear and my blood was badly out of order. I tried local doctors, but with no good results. Finally I wrote you the particulars in my case and you advised your 'Golden Medical Discovery,' which I began to take. From the first bottle I began to feel better, and when I had taken eight bottles the sore was healed up. I wish you success."
