Aug. 9.—Dalhousie's 1851 scholars are establishing a good record. D. McIntosh of New Glasgow, who won the scholarship four years ago, has his tenure of it extended to a third year. And now it is learned that E. H. Archibald of Harmony, Colchester County, who won it two years ago, has had a similar success. The scholarship is usually held for two years only. But in exceptional cases in which it appears to the commissioners, who grant the scholarships, to be likely that extended to a third year, would result in works of scientific importance such extension is granted. The work which Mr. Archibald has done in the Harvard Laboratory was submitted some months ago to the commissioners' scientific advisers with the above gratifying result, which gives Mr. Archibald the privilege of studying for an additional year at any university he may select and £150 sterling to pay his expenses.

TO CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. W. E. Grove's signature on each box

Some women don't know what it is to sleep well. In dreams they are haunted by the pains they bore through the day. There is no rest and no refreshment for them even in sleep. This condition is only one feature of many consequent

upon forms of disease peculiar to women. The head aches often, or there are "spells" of dizziness or faintness, there is pain in the back or side, with bearing down pains. These are but symptoms of womanly disorders. Let the cause be removed and the pains will pass, and sleep will bring only dreams of happiness and love.

The most effective remedy for diseases of women is Dr. Pierce's Favorite Prescription. It dries up the debilitating drains, heals inflammation and ulceration and entirely cures female weakness.

There is no alcohol, whisky or other intoxicant contained in "Favorite Prescription," neither does it contain opium, cocaine, nor any other narcotic. It is a strictly temperance medicine. Accept no substitute.

Sick women are invited to consult Dr. Pierce, Buffalo, N. Y., free of all charge. Each letter is treated as a sacred confidence. Every answer is sent in a plain envelope without any printing upon it. Write without fear and without fee.

"I want to praise your medicine," writes Mrs. Sarah J. Burney, of Crescent, Putnam Co., Fla. "I have been sick for twenty years and have been almost in bed five years, and now I am able to work all day. I have taken eight bottles of 'Favorite Prescription,' and four of 'Golden Medical Discovery,' and one vial of 'Pellets.' I praise your medicine to all. I had the headache but it is gone. My throat is well and cough gone and all my old troubles are better. I tried many other kinds of medicine and four doctors."

Drink Only Good Tea.

There's a reason for it. Cheap teas are not only flavorless, and require more tea to the cup to produce any taste, but moreover, are often artificially colored and flavored, and are sometimes most dangerous. A branded tea like Litley's Elephant Brand is safest, as its packers' business reputation is staked on its purity.
