THINGS OF VALUE.

Mrs. Hatterson—I don't know what I shall do, my husband has been so contented lately over his meals at home.

Mrs. Catterson—Why, I didn't know you were without a cook.

There never was, and never will be, a universal panacea, in one remedy for all ills to which flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other.

We have, however, in Quinine Wine, when obtained from a sound unadulterated state, a remedy for many and grievous ills. By its gradual and judicious use, the frailties of the system are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease, and, by tranquillizing the nerves, disposes to sound and refreshing sleep.

Imparts vigor to the action of the blood, which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making a necessary result.

Quinine Wine at the usual rate, and, gaged by the opinion of scientists' this wine approaches nearest perfection of any in the market. All druggists sell it.

First Bookkeeper—That Jenks is the wittiest man in the office!

Second Bookkeeper—I never heard him say a bright thing!

First Bookkeeper—No; but he's got wit enough to laugh heartily every time the boss tells that stale old chestnut joke of his!

A CAREFULLY PREPARED PILL—Much time and attention was expended in the experimenting with the ingredients that enter into the composition of Farnelle's Vegetable Pills before they were first offered to the public. Whatever other pills may be, Farnelle's Vegetable Pills are the result of much expert study and all persons suffering from dyspepsia or disordered liver and kidneys may confidently accept them as being what they are presented to be.

Mother, angrily—Did I see you playing pitch and toss with that little Lousell boy?

Tommy—Yes, ma.

Mother—Well, don't do it again. Do you hear me?

Tommy—Yes, ma. I won't do it no more. He hasn't a ha'penny left.

A SUCCESSFUL MEDICINE—Everyone wishes to be successful in any undertaking in which he may engage. It is, therefore, extremely gratifying to the proprietors of Farnelle's Vegetable Pills to know that their efforts to compound a medicine which would prove a blessing to mankind have been successful beyond their expectations. The endorsement of these pills by the public is a guarantee that a pill has been proposed which will fulfil everything claimed for it.

Jinks—I don't believe Dante's description of the Inferno is correct.

Winks—Why not?

Jinks—Not one of the shades said to any other shade—'Is it hot enough for you?

Thousands Like Her.—Tena McLeod, Severn Bridge, writes: "I owe a debt of gratitude to Dr. Thomas' ELECOTRIC OIL for curing me of a severe cold that troubled me nearly all winter." In order to give a quinine to a hacking cough, take a dose of Dr. Thomas' ELECOTRIC OIL three or four times a day, or oftener if the cough spells render it necessary.

Litigant—You take nine-tenths of the judgement? Our rageous!

Lawyer—I furnish all the skill and eloquence and legal learning for your cause. You furnish the cause.

Litigant—But I furnish the cause.

Lawyer—Oh, anybody could do that.

There are many good medicines in the market, that it is sometimes difficult to tell which to buy; but if we had a cough, a cold or any affliction of the throat or lungs, we would try Bick's Anti-cough Syrup. Those who have used it think it is far ahead of all other preparations recommended for such complaints. The little folk like it as it is as pleasant as syrup.

What You Pay For Medicine

Is no Test of its Curative Value—

Prescriptions vs. Dr. Chase's

Kidney-Liver Pills.

Dr. Chase's Kidney Liver Pills are just as much a doctor's prescription as any formula your family physicians can give you.

The difference is that Dr. Chase's Kidney-Liver Pills were perfected after the formula has proven itself of inestimable value in scores of hundreds of cases.

Dr. Chase won almost as much popularity from his ability to cure kidney disease, liver complaint and backache, with this formula, as he did from the publication of his great recipe book.

The idea of one treatment reaching the kidneys and liver at the same time was original with Dr. Chase. It accounts for the success of Dr. Chase's Kidney Liver Pills in curing the most complicated ailments of the filtering organs, and every form of backache.

Mr. Patrick J. McLaughlin, Beaubarnois, Que., states: "I was troubled with Kidney disease and Dyspepsia for 29 years and have been so bad that I could not sleep at nights on account of pains in the back, but would walk the floor all night and suffered terrible agony."

"I tried all sorts of medicines but got no relief until I began using Dr. Chase's Kidney Liver Pills. They made a new man of me, and the old troubles seem to be driven out of my system."

Mr. John White, 72 First Avenue, Ottawa, writes: "I used Dr. Chase's Kidney-Liver Pills for deranged liver and pains in the back, with excellent results."

"My wife used them for stomach trouble, and pains about the heart, and is entirely cured. They are invaluable as a family medicine."

Scores of hundreds of families would not think of being without Dr. Chase's Kidney Liver Pills in the house. They are purely vegetable in composition and remarkably prompt and effective in action. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates and Company, Toronto.
