ANNAGANUE.

Sept. 12-Many readers have asked a resume of society chat since quiet has so long reigned but to enter upon this relation in detail would require more space than can be allowed. Within the last ten days, though, my summing up is as follows with first of all the engrossing topic of the hour i. e. the marriage of Miss Katherine L. Boyle and Mr. Rey Evelyn Smith which takes place tonight at the hour of eight at the home of the brides parents of which more anon.

Mrs. George H Davidson is home now after

spending several weeks with relatives and friends throughout the provinces while Mrs Davidson was the guest of her father, Rev Isaac N Parker, at Gagetowr, a picnic party was arranged whereby a steam yacht, able to carry over twenty souls' was chartered, and the excursionists enjoyed a few days delightful outing on the St John river between Brown's Flats and Ocomocto and up the Grand Lake to Salmon River, Chipman Mrs Davidson after visiting her aunt Mrs MacKay in Fredericton went north to Campbellton then to Newcast e and Chatham where she enjoyed more vacating on the Miramichi the guest of Mr and Mrs J C Mille r.

the depot. Among the sources of amusement Mrs Davidson resorted to for the enjoyment of her guest was a fishing party to Sussex Portage and a whirling party to Petitcodiac, The diff rent religious organizations throughout the Province have picnics annually and of course, the most perplexing question which confronts the promotors of the same is where shall we spend the holiday? Now father Larson the priest in charge of St Jno, North End parish, and the parishes of Salisbury, Cardwell and Elgin, has made the p ractical suggestion of Anagance and the adherents of the

spot than this way-side village can be found. Sit usted on the main line of railroad it is easy of a c-C. 83. Thursday of last week crowds flocked ir om every part of the parishes which are under Father Carson's priesthood besides many others of various denominations who came to cast their lot towards making fun and finances, The picnic was a grand success from every point of view and among the many present I chanced to notice Father Carson and his two sisters, Bart Duffy, the skater, Dr Otto B Price, Missses Florence Jones, Lena Keith, Agnes Morton, Messrs. W A Simpson, Ned Simpson, H Morton, Howard McCully, Cliff Price, Raleigh Trites, Hugh Keith and Humphrey and Al. Davidson. The base-ball match which was called on at about 1 p. m., between the Bon-tons of Mon cton and the Wanderers of St. John, resulted in a victory for the former although I could not ascert ain the score as con:usion held sway for some little time and the game was called off. Mr. Thomas of Moncton was umpire. The boys running race which had some twelve contestants was appare ntly easily won by an Anagancer-Frank Sm ith. although he had to run against such boys as Y oung Thomas of Moncton who had a record, cheers were long and loud when master Frank was called forth to receive the covered prize which was presented by Father Carson in his usual pithy style. The dancing booth which was erected at the western end of the grounds was well patronized during the afternoon and evening. The orchestra was really admirable and a great credit to the promoters, the conductor and the executants. The patronage is certainly increasing at these yearly picnics of Father Carson's and it is sincerely hoped he will be induced to repeat the same here in 1901, The

quota of picnickers. Miss Bertie Davidson went to Boston last week to visit her brother Mr. Will C Davidson, and will remain away until her brother George Davidson and his wife have their vacation of two weeks when all will return together. Mr and Mrs Davidson leave Saturday afternoon and expect to visit Ne w York and probably Philadelphia.

Mrs Helen Marshall has been spending some time past with her mother on Apple Hill but left for Rothesay on Wednesday to visit her sister, Mrs R B Colwell, e:e she completes her journey home_

Rev Thos Hardy of Guelph, Ont., who has en joyed his vacation at The Portage with Mr and Mrs Fred Davidson Waterside Villa has gone home but not without eulogizing the many delightful haunts of Portage and its lovely people and assuring all of his return when his congretation extend to him another lengthy holiday.

Misses Lina Stockton and Miss Jessie Jonah of Providence, Rhode Island left today for home after several weeks visiting among friends and relatives at Portage and thereabout.

Miss Julia McNaughton went to Dorchester on Monday's C P R to spend three months with her uncle, Mr Jas McNaughton.

Mrs Edmund E. Stockton who came down from Ottawa with her husband some two months ago on their annual vacation is still visiting her mother Mrs. Emma Davidson on Apple Hill. Mr. Stockton returned two or three weeks ago to resume his duties as clerk in the auditor general s office, but prior to his leaving here both Mr and Mrs Stockton enjoyed a few days visit in Halifax and Amherst with

McNaughton the parents of Mrs McLeod. Masters Clarence, Harold and Jack Price, Miss Margaret Price and Master Welsford Parker spent some time of their vacation with their aunt and sister Mrs Davidson and before leaving for home Mrs Davidson gave a large tea party inviting some twenty odd children in the neighborhood. The dainty viands provided for this affair were heartily relished and the amusements gotten up were gone

into with great zest. Miss Smith has had a pleasant visit of some time with relations in Apple River, N. S. Mrs Wm. E. Swish and Misses Leila and Evelyn

spent Tuesday with friends in Petitcodiac. Miss Florence Jones and Mr. Cliff Price, spent an afternoon and evening last week with Mr and M rs.

R. B. Colwell of St John spent the Sabbath on Apple Hill, Mr. and Mrs Geo Davidson and Mr Clifford Price were also there.

Rev Raymond Baker, B. A. a young divine preached an instructive sermon on Sunday evening to a large congregation. Mr Baker is an only son of our pastor Rev Henry R Baker and has inherited his love for this work from father and grandfather before him. Mr Baker is an arquous student and as Cowper would put it, 'shrewd and of a well con-structed brain, keen in pursuit and vigorous to retain" and to the pere he would say, "your son came forth a prodigy of skill as wheresoever taught, so formed, he will," for a sight surpassed by none that we can show is a father blest by an ingenious son.

What Makes the Home?

Not the house, however fine it may be; not its furniture, pictures and appointments. The wife and mother makes the home, and to speak of going home means to go back into the shelter of the mother's love and care.

And when womanly ills sap the mother's strength, the home-life suffers. The food is not cooked as she cooks it.

Everywhere the lack of wifely supervision and motherly thoughtfulness is apparent. What a change, then, when this

wife and mother comes back to take her old place in the family. Thousands of women who, because of womanly ills, had been shut out of home life and home happiness, have been enabled to once

more take their place in the family after being cured by Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women

"I commenced taking your 'Favorite Prescription' and 'Golden Medical Discovery' about the 10th of last December, one year ago," writes Mrs. Eliza Wright, of Mountainview, Howell Co., Missouri. "I have been very slow about writing to you, although I am thankful I am here to-day and have the privilege of saying I thank you a thousand times for your kind advice. I can truthfully say that it was through your kind advice and your medicine and the will of the Lord that I am living to-day; I am in better health than I have been for three years. I have taken one-half dozen bottles of each medicine. I am able to do my washing for four in family, and all my housework, cooking and milking. In fact, I feel like a new
