"I was suffering with what the doctor called chronic indigestion, torpid liver and vertigo," says Mrs. Martha E. Barham, of Newville, Prince George Co., Va.

"My symptoms were giddiness in the head, pains in my chest and an uneasy feeling all over. I also had female weakness. I was all run down, and could not do any work without suffering from nervous attacks, so I wrote to you. You advised me to use Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription.' I used five bottles of each. I gained in health and strength. When I commenced to use the medicines I weighed only 112 pounds, now I weigh 140. My husband and friends all thought that I would die, but to-day I am a well woman."

Mrs. Barham's experience is not singular. Thousands have given similarly strong and convincing testimony. There are no other medicines in the world that have such a long and continuous record of cures.

There are no other medicines "just as good" or "just the same" as Doctor Pierce's. Like all valuable things these medicines are sometimes imitated. Don't be imposed upon. See that you get what you ask for.

If you have any doubt as to the nature of your ailment write fully, giving your symptoms, to Dr. R. V. Pierce, chief consulting physician, Invalids' Hotel and Surgical Institute, Buffalo, N. Y. He will consider your case carefully, and will tell you, absolutely free of charge, what to do to get well.
