## The Liberty Congress.

O liberty, fair liberty, you're in safe hands at last! The days when you were languishing are happily all past.

A congress has assembled to extend your blessings o'er

The island where the cannibal enjoys his meals once more.

The right to stab and carve and spear shall be no more assailed.

The wielder of the bold knife shall not be hanged or ill d.

The bushman and the Zulu chief shall both be great and free;

Proclaimed throughout the earth's domains is glorious liberty!

O liberty! fair liberty! the burglar's beetling brow shall never frown again, because he'll know your blessings now.

The crook and eke the bunco man shall ply their worthy trade.

Untrammelled by oppressive law, unharmed and unafraid

And Aquila's, noble chief, shall bid his minions kill.

The alien white men in his isle or torture them at will.

No more subdued by government his iron pride shall be.

He'll walk erect—mark, walk, not run—in glorious liberty.

O liberty! fair liberty! thy soaring spirit shames! The coward sheriff and his men, who hunted Jesse James.

The mis-triv Anarchists who wield the freeing dynamite.

And blow the palaces of kings and princes out of sight.

Shall no more know the felon's cell, shall no more be oppressed.

By the most damning, craven fear, the terror of arrest.

When this great congress' work is done alike shall all men be free.

They'll sail and steal where'er they please in glorious liberty.

Can You Blame Her

If at last she tires of the fault finding of a dyspeptic husband and leaves him?

The worst of the dyspeptic is that he does not realize his own meanness. His world is entirely out of perspective.

Dyspepsia and other diseases of the stomach and organs of digestion and nutrition are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It cures the worst forms of the disease. It cures when all other medicines have failed to benefit.

Accept no substitute for Dr. Pierce's Golden Medical Discovery. There is no other medicine for the stomach, blood and lungs, which can show so wide and wonderful a record of cures. It always helps. It almost always cures.

"I can say to you, one bottle of your 'Golden Medical Discovery' has cured me sound and well, after suffering two long years with stomach disease," writes Mr. W. H. Braswell, of McAdenville, Gaston Co., North Carolina. "My health is worth all the world to me. I will praise you as long as I live."

Dr. Pierce's Medical Adviser, in paper binding, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only, or if cloth-bound volume is desired send 50 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
