**What You Pay For Medicine.**

Is no Test of Its Curative Value—Prescriptions vs. Dr. Chase's Kidney Liver Pills.

Dr. Chase's Kidney-Liver Pills are just as much a doctor's prescription as any formula your family physician can give you. The difference is that Dr. Chase's Kidney-Liver Pills were perfected after the formula had proven itself of inestimable value in scores of hundreds of cases.

Dr. Chase won almost as much popularity from his ability to cure kidney disease, liver complaint and backache, with this formula, as he did from the publication of his great recipe book.

The idea of one treatment reaching the kidneys and liver at the same time was original with Dr. Chase. It accounts for the success of Dr. Chase's Kidney-Liver Pills in curing the most complicated ailments of the filtering organs, and every form of backache.

Mr. Patrick J. McLaughlin, Beauharnois, Que., states: "I was troubled with Kidney Disease and Dyspepsia for 20 years and have been so bad that I could not sleep at night on account of pains in the back, but would walk the floor all night and suffer terrible agony."

"I tried all sorts of medicines but got no relief until I began using Dr. Chase's Kidney-Liver Pills. They made a new man of me, and the old trouble seems to be driven out of my system."

Mr. John White, 72 First avenue, Ottawa, writes: "I used Dr. Chase's Kidney Liver Pills for deranged liver and pains in the back, with excellent results."

"My wife used them for stomach trouble and pains about the heart, and is entirely cured. They are invaluable as a family medicine."

Scores of hundreds of families would not think of being without Dr. Chase's Kidney-Liver Pills in the house. They are purely vegetable in composition and remarkably prompt and effective in action. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates and Company, Toronto.

**THINGS OF VALUE.**

The Circassian—Great Scott! What's the matter with Human Pin Cushion?

The snake charmer—Some smart guy went and put a tick in his chair.

Bickie's Anti-Consumptive Syrup stands at the head of the list for all diseases of the throat and lungs. It acts like magic in breaking up a cold. A cough is soon subdued, tightness of the chest is relieved, even the worst case of consumption is relieved, while in recent cases it may be said never to fail. It is a medicine prepared from the active principles of several medicinal herbs, and can be depended upon for all pulmonary complaints.

'Abdul Hamid has made a other promise to pay' remarked Mr. Dukase.

'Abdul Hamid' added Mr. Gaswell, is the most promising young man on the grasses of Europe.

Six O'Clock.—The most conclusive testimony, repeatedly laid before the public in the columns of the daily press, proves that DR. THOMAS' EUCALYPTUS OIL—an absolutely pure combination of six of the finest remedial oils in existence—remedies rheumatic pain, eradicates affections of the throat and lungs, and cures piles, wounds, sores, lameness, tumors, burns, and injuries of horse and cattle.

Tommy—Say, paw, Mr. Figg—Well?

'What is an optimist?' 'An optimist, my son, is a crank who is sure his turn will come.'

SIGNALS OF DANGER.—Have you lost your appetite? Have you a coated tongue? Have you an unpleasant taste in the mouth? Does your head ache and have you dizziness? If so, your stomach is out of order and you need medicine. But you do not like medicine. He that prefers sickness to medicine must suffer, but under the circumstances the wise man would procure a box of Parmelee's Vegetable Pills and speedily get himself in health, and strive to keep so.

An Irishman on weighing his pig exclaimed:—"It does not weigh so much as I expected, and I never thought it would."

THE MOST POPULAR PILL.—The pill is the most popular of all forms of medicine, and of pills the most popular are Parmelee's Vegetable Pills, because they do what it is asserted they can do, and are not put forward on any fictitious claim to excellence. They are compact and portable, they are easily taken, they do not nauseate nor grip, and they give relief in the most stubborn cases.

"You lived at a water-cure establishment a whole year. Did it cure you?" "Yes, it cured me completely of the cold water habit."

Mother Graves' Worm Expeller is pleasant to take; sure and efficient in destroying worms. Many have tried it with best results.

"Does your wife believe all you tell her?" asked McBride.

"Yes she?" repeated Darley. "Why, sir, my wife believes all the weather man says."

Why go limping and whiming about your corner when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial and you will not regret it.

"What an egotistical thing this composer must be."

"What makes you think so?"

"Why, look! he has had 'Pia' printed in several pieces on this piece of music of his."
