THINGS OF VALUE.

Messrs. Northrop & Lsman Co., are the proprietors of Dr. THOMAS' ELECTRIC OIL, which is now being sold in immense quantities throughout the Dominion. It is welcomed by the suffering invalid everywhere with emotions of delight, because it banishes pain and gives instant relief. This valuable specific for almost "every ill that flesh is heir to," is valued by the sufferer as more precious than gold. It is the elixir of life to many a wasted frame. To the farmer it is indispensable, and it should be in every house.

Parson—Do you ever open the Bible? Wicked One—Yes, whenever there's a squabble between my wife and myself as to the date of our marriage.

Severe colds are easily cured by the use of Bickie's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.

"My wife has an unpleasant way of recalling unpleasant things." "Yes. What of it?" "Why, the other night I got up and drank a collar button which had fallen into a glass of water."

"Yes." "And now every time I lose my collar button my wife says, 'Well, where's that one you swallowed?'"

The healthy glow disappearing from the cheek and morning and restlessness at night are sure symptoms of worms in children. Do not fail to get a bottle of Mother Graves' Worm Exterminator; it is an effectual medicine.

"Yes, baby looks like his papa," said the proud young mamma: "I'm sure he'll have a nose like him."

"Yes," replied the temperance lady from next door, "you give the little one gin for the colic, I understand."

Are your corns harder to remove than those that others have had? Have they not had the same kind? Have they not been cured by using Holloway's Corn Cure? Try a bottle.

"How Bigluns must love his wife." "What makes you think so?" "He plays poker for fun just because she likes it and won't grumble."

THEY NEVER KNEW FAILURE.—Careful observation of the effects of Parmelee's Vegetable Pills has shown that they act immediately on the diseased organs of the system and stimulate them to healthy action. There may be cases in which the disease has been long seated and does not easily yield to medicine, but even in such cases these Pills have been known to bring relief when all other so-called remedies have failed. These assertions can be substantiated by many who have used the Pills, and medical men speak highly of their qualities.

"While I was away Kitty, you saved some house money, of course?" "Yes, Harry, I saved a lot; but I spent it all on ice cream."

A FINELY VEGETABLES PILL.—Parmelee's Vegetable Pills are compounded from roots, herbs and solid extracts of known virtue in the treatment of liver and kidney complaints and in giving tone to the system whether entebled by overwork or deranged through excess in living. They require no testimonials. Their excellent qualities are well known to all those who have used them and they commend themselves to dyedepia and those subject to biliousness who are in quest of a beneficial medicine.

He—I am the bearer of a charmed life. She—(sarcastically)—Indeed! What great dangers have you ever escaped? He—None. But I have looked into your eyes and heard the sound of your voice.

After a lapse of 10 or 15 minutes she became conscious of what meant and permitted her beautiful head to rest against his breast.
