Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea and have to use great precautions to avoid the disease. Change of water, cooking, and green fruit is sure to bring on the attack. Such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

She gave me her note for the sum Of affection she held was my due; She wrote it with violet ink On paper so ravishing blue! And this was the note—(I have never Seen such at the bank, now have you?) 'Twas drawn on the funds of one Cupid, And said simply this: 'I love you.'

Messrs Northrop & Lyman Co. are the proprietors of DR. THOMAS' ELECTRIC OIL, which is now being sold in immense quantities throughout the Dominion. It is so commended by the suffering invalid everywhere with emotions of delight, because it banishes pain and gives instant relief. NOT A USUALLY PILL.—The exipient of a pill is the substance which enacts the ingredients and makes up the pill mass. That of Parment's Vegetable Pills is so compounded as to preserve the motor, and they can be used into any ill tide with out impairing their strength. Many pills, in order to keep them from adhering, are rolled in powders, which prove nauseating to the taste. Parment's Vegetable Pills are so prepared that they are agreeable to the most delicate.

The coal man was a schoolboy once, But he wasted his time having fun; Which may account for the fact that he Thinks seventeen hundred marks a ton.

HOW TO CLEANSE THE SYSTEM.—Parment's Vegetable Pills are the result of scientific study of the effects of extracts of certain roots and herbs upon the digestive organs. Their use has demonstrated in many instances that they regulate the action of the Liver and the Kidneys, purify the blood, and carry off all morbid accumulations from the system. They are easy to take, and their action is mild and beneficial.

I don't care for your poem, 'The Song of the Lark,' remarked the editor. The poet sighed wearily. 'To tell the truth,' he replied, 'I myself much prefer the lay of the hen.'

New York Millionaires.

Only a few people reading advertisements of bankers and brokers, saying that money could be made through speculation, realize that the richest men in America have common sense in a humble way and have made their fortune through stock exchange speculations.

Men like Jay Gould who worked as a dry goods clerk in a small town at \$10.00 a week up to his death 70 millions of dollars; Russell Sage who worked as a grocery boy at \$4.00 per week and whose present wealth is estimated at 100 millions of dollars is still operating the market, although 80 years of age, and so are thousands of others who are due to their success in speculations.

To the new speculator the same opportunities are open to-day as to others in the past. The small lots which can be bought and sold in 10 shares on 3% margin, making 30 dollars.

Anybody interested as to how speculations are conducted can get information and market letter free of charge upon application by letter to,

ITCHING SKIN.

In any Form, Whether Eczema, Salt Rheum or Piles Is Relieved Once and Permanently Cured by

Dr. Chase's Ointment.

One of the strongest endorsements any remedy can have is its adoption by the medical profession as the standard treatment for the ills for which it is recommended. Such is the position of Dr. Chase's Ointment today.

DOCTORS USE IT.

Before the introduction of Dr. Chase's Ointment doctors admitted that they could not cure Eczema and Salt Rheum, and usually resorted to the surgical operation for piles. Now they use Dr. Chase's Ointment and know of no such thing as failure. Of course they don't always tell their patients what they are using nor do they give the treatment in the original package; but nevertheless they continually order it from these offices for use in their practice and recognize it is the only absolute cure for piles and itching skin diseases.

DOCTORS ENDORSE IT.

Canadian doctors are no less enthusiastic than their American brothers in the use of Dr. Chase's Ointment, but on account of the strict laws of the Dominion, do not care to have their names mentioned in public print. If you are in doubt regarding the wonderful virtues of Dr. Chase's Ointment ask your family physician. He knows its record in the past and will endorse it in the strongest terms.

Dr. C. M. Harlan, New York, writes: "No physician now refuses to acknowledge the claims of such remedies as Dr. Chase's Ointment which proves its virtue by curing where other means have failed."

"We know that Dr. Chase's Ointment meets all the requirements of the highest standard of worth, and that it is held in high esteem wherever used, and consequently we endorse it to every reader."

Dr. Chase's Ointment is guaranteed to cure any case of piles. 60 cents a box at all dealers, or Edmondson's Bares & Co., Toronto.

Dr. Chase's Syrup of Linseed and Turpentine for throat and lung troubles, Dr. Chase's Catarrh Cure. Each 25 cts. at all dealers.
