"So you've set up a hired girl" said Farmer Muchland to his son. "Your mother never had a hired girl. She worked early and late, and raised a family. Hired girl indeed! Look at your mother, sir."

"It's just looking at mother," said the son "made me resolve that my children's mother should never look like her, worn out in her prime."

In the partnership of marriage women give twice as much as men. They give equal work, and they give themselves, their very life. Children come. No chance for rest, work must go on. Inflammation, ulceration, debilitating drains and female weakness, undermine the health and shock the nervous system. In a few years the woman is worn out.

Women who have used Dr. Pierce's Favorite Prescription say that they can do their own work and keep their strength and good looks. It cures inflammation, ulceration, female weakness and unhealthy drains.

Sick women are invited to consult Dr. Pierce by letter, free of charge.

"About two years ago my health became very poor from female weakness and troubles peculiar to my sex; in fact I was so weak and feeble that I was able to do but little work," writes Mrs. Josie M. Guess, of Baileytown, Cullman Co., Ala. "I decided to buy me a bottle or two of Dr. Pierce's Favorite Prescription and give it a trial. I took two bottles of the 'Favorite Prescription' and one vial of the 'Pelllets,' and these proved to be all I needed. I felt stout and well after taking Dr. Pierce's medicine and have been doing my work with more satisfaction than I had ever felt before."

The People's Common Sense Medical Adviser, sent free on receipt of stamps to cover cost of customs and mailing only. Send 31 one-cent stamps for paper-bound edition, or 50 stamps for cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

rehearsal of "Down East," the other evening and pronounces it a great success.

Mrs. Jamison of Windsor was the guest of Mrs. J. M. Owen for a few days this week.

John Jamison's many friends were glad to see him in town this week. John has been a member of the Yukon and N. W. Mounted Police for a number of years, and is now employed as an engineer on the C. P. R. in the Northwest.
