FEB 21 .- What will we do when all the forces leave for South Africa ? We have been in a fever of excitement for weeks trying in our modest way to make it pleasant for our visitors. All that remains for us now is to bid them God speed. A number of St. John people are here to see their friends off, among them Mrs. Charles Harrison whose husband goes in the Milwaukee. ; When bidding farewell to him I understand she got news of the wounding of her son at Modder River.

The most recent society event was the wedding of Miss Stubbing which took place on Valentines day. She was married in St. Mark's to Mr. Beverley R. Newberry, of New York. In spite of the early hour, 7 a. m., a large number of the bride's triends were assembled at the church. The bride looked sweeter than ever, it that could be, in a charming costume of palest grey, the skirt was long-demi-train-and fell in graceful folds; the dainty coat was finished with broad white satin collar and revers embroidered in gold. A large hat grey felt, with three beautiful ostrich plumes and exquisitely trimmed with white chiffon, completed a costume that suited admirably the young bride's dark eyes and bright color. She was given away by her father, Mr Charles Stubbing, late of H. M. Dockyard, and the ceremony was performed by the Rev Mr Lemoine. Two bridesmaids attended the bride, Miss Margaret Corbett and Miss Joan Stabbing ; their dresses were grey silk crepon, and looked very elegant and stylish. Mr. Michael Dwyer was groomsman, Immediately after the coremony the wedding party drove to the station where in the midst of a large number of her girl friends, the bride was overwhelmed with congratulations and good wishes. On the same day Miss Archibald of Inglis street

To love and be loved, is every woman's right. To be beautiful is impossible for some women. To be bright-eyed, clear skinned, red lipped, vivacious, attractive is the privilege

of all. Ill-health, pimply face, dull eyes, pale lips, hollow cheeks-these lock the door in Love's face. No man admires a sallow, backachey, headachey woman. Dr. Pierce's Favorite Prescription and 'Golden Medi-

cal Discovery ' are beautifiers because they are health makers.

The "Favorite Prescription" is designed to cure all distinctly feminine ailments. It is prescribed for girls about to become women and takes from this dangerous period much of its discomfort. It is prescribed for women of all ages who are troubled with inflammation, irregularity, debilitating drains and other symptoms of derangement of the feminine organism. It is a general tonic for the whole system but when such a tonic is needed it is better to take the "Golden Medical Discovery" in connec-tion with the "Favorite Prescription."

Dr. Pierce's Golden Medical Discovery is a medicine for men and children as well as women. It is a most wonderful blood purifier and flesh builder. It searches out and kills disease germs in the digestive system, blood and lungs and puts the whole body in a strong, healthy state.

Before purchasing medicine of any kind it is well to write to Dr. R. V. Pierce, at Buffalo, N. Y., stating your symptoms. He will diagnose your case and prescribe for you free of charge. It may be that you need both "Favorite Prescription" and "Golden Medical Discovery," or you may need only one. Possibly your case requires something entirely different. Whatever you need Dr. Pierce will tell you without a cent of cost to you.
