Feb. 15.—Ald. Menger left Saturday for a short visit to New York.

Hon. C. M. Francheville, who was indisposed since Friday last, is in his place again in the Legislative Council, of which he is a useful member.

Major Wynne, R. A. and Mrs. Wynne, arrived Monday from England.

Mrs. Frank M. Power is ill with grippe, of which there is a more than usual visitation throughout the city.

The engagement is announced of two well known residents of Rockingham.

The first lecture on missionary work to be given at the C. of E. Institute was delivered Monday evening at 8, by Rev. J. A. Richardson, M. A., rector of Trinity church, St. John, N. B. Subject: "Missions in Manitoba and the North West."

Miss Josie Sullivan, of Halifax, was stewardess on the Gate City, which ran ashore near New York recently. She was sent ashore with the passengers and arrived in Boston Saturday, escaping uninjured, but lost all her clothing.

The marriage took place at 6.30 Tuesday morning, at St. Patrick's church, of Mr. Joseph Ward, the popular driver for T. F. Courtney & Co., to Miss Minnie Brent, a well known young lady of the north end. The ceremony was performed by Rev. Gerald Murphy. The bridesmaid was Miss Minnie Bishop, and the groomsmen James Curren Jr. The bride was attired in a very becoming wedding suit and the bridesmaid was also neatly attired. The happy couple left by this morning's train for a short honeymoon trip.

A quiet wedding took place at 2 o'clock Monday afternoon at the residence of W. L. Tuttle, Portland street, Dartmouth, of Eligh Hart, a son of Abner Hart of this city, to Miss Alice Tuttle a daughter of Rev. Mr. Tuttle of Wallace Bay, N. S. The ceremony was performed by Rev. Mr. Tuttle. Only the immediate friends and relatives were present. The bride was tastefully attired in a dark travelling costume. After the ceremony a sumptuous repast was partaken of, and the happy couple took the 4 o'clock train for their future home at Wallace Bay, N. S.

The band concert given at the second contingent's dining hall, at the Exhibition Grounds, by the 63rd band, Monday night, was a most enjoyable occasion, and proved conclusively that the members of the contingent greatly appreciated these concerts. The dining hall was fairly packed with the 'boys' and a large number of their lady friends were also present. Since the arrival of the contingent in Halifax, the 63rd band has accepted every opportunity to play the members to and from church parades and also gave the members several band concerts.

In appreciation of the ben's services the non-commissioned officers and men of the C. M. B. decided to make a presentation to Bandmaster Hanson, and Monday night that gentleman was taken completely by surprise when one of the contingent stepped forward and read an address and presented him with a handsome gold chain and locket. The latter was beautifully engraved and contained the inscription, "Presented to Harry Hanson, Bandmaster of 63rd Halifax Rifles by C. M. B." Mr. Hanson replied to address in feeling terms. The contingent then gave Mr. H. three rousing cheers.

During the evening a space in the south end of the dining hall was cleared and dancing was enjoyed.

It has been suggested that another band and promenade concert be held in the Armouries and for all the city bands to take part in supplying a choice programme.

A Frances Willard memorial service will be held by the Women's Christian Temperance Union of Yarmouth at the Y. M. C. A. hall on Tuesday, Feb. 20, at 3 p. m. A special commemorative programme has been arranged, including short addresses on varied phases of the "Do Everything" policy of our promoted leader.

Last Thursday evening a very interesting "book social" was held at Mr. Albert Cook's South End, by the F. B. young people's Social Circle. There was a good attendance, and the titles of books were represented in a very original and amusing manner. The ancient costumes worn by a few present afforded much amusement. Following is a list:

"Samantha and Josiah Allen," represented by Miss A. Hersey and Mr. E. Johnson, were true to the letter in make up and dialect; "Ships That Pass in the Night," pictured as steamers Boston and Prince George, the former in advance by Mrs. Malone; "Woman in White" Mrs. N. Jeffery; "An Original Belle," Mrs. T. M. Harding; "Light of

Let go or die. That's the alternative of the shipwrecked man with the money bags. If there was only some one to throw him a life preserver, he might save both life and money. Without help it is let go or die. A great many people have a like alternative before them. Business men come to a point where the doctor tells them that they must "let go or die." Probably he advised a sea voyage or mountain air. There's an obstinate cough that won't be shaken off. The lungs are weak and perhaps bleeding. There is emaciation and other symptoms of disease, which if unskillfully or improperly treated terminate in consumption.

Thousands of men and women in a like condition have found complete healing by the use of Dr. Pierce's Golden Medical Discovery. It purifies the blood. It carries off from the system all refuse and poisonous matter. It gives the infected organs the strength to throw off disease. "I was taken sick and felt so stupid I could hardly go about," writes Miss Mary Eskew, of Given, Jackson Co., W. Va. "I had smothering spells. I went to our best physicians and they doctored me all one summer. I kept growing worse and got so weak I could hardly go about. The two doctors I had said I had lung trouble. I had an awful cough, and one day my aunt told me of Dr. Pierce's Golden Medical Discovery. I sent and got a bottle of both kinds—the 'Golden Medical Discovery' and 'Favorite Prescription.' When I had taken that it helped me so much I sent and got more. I have taken of both medicines altogether, ten bottles. Now my lungs do not hurt me, and I don't have any cough. I am stout now and as well as ever in my life."

Given away. The People's Common Sense Medical Adviser is sent free on receipt of stamps to pay customs and mailing only. The book contains 1008 pages and 700 illustrations. **HANTSPOUR.**

Feb. 15.—Considerable anxiety was felt here last week over the non-arrival of the "President," Capt. B. Terry, out from Sydney to Yarmouth, with ex-Capt. Terry arrived safely however, at Yarmouth last Friday, being out 18 days. During the voyage he encountered high seas and heavy winds, which greatly impeded his progress and did considerable damage. Mrs. Terry left on Saturday for Yarmouth where she will spend a few days with her husband.

Mr. Seymour Fisher who has been to his home for a while on account of poor health, stopped off here one day last week, on his way to Amherst, where he works in Robb's Machine Works.

Mr. Leander Shaw, who has been home several weeks on business, left for Vancouver on Friday last. Mr. Shaw has charge of the silver mines at Ainsworth.

The Baptist church was crowded to its utmost capacity last Sunday evening when eleven candidates were baptized. The choir rendered excellent music for the occasion, and the event passed off very prettily.

Mrs. W. Saunders, of Wolfville, spent last Saturday in town.

The appeal from Mrs. Chas. Archibald, Halifax, through the W. C. T. U. of Hant port, to the ladies of our town on behalf of C. H. of the first Canadian Continent, has been met with a loyal response remarkable for its spontaneity and unity. The work of collecting and making the articles was quickly and nobly done. The greatest enthusiasm marked the work throughout. Mention must be made of the gentlemen who help with such willingness to make the movement a success. Should another appeal of a similar nature be made we have no doubt that it would be responded to equally well. Two barrels of jam were sent containing 58 jars and a case of useful articles.

**WINDSOR.**

Feb. 14.—Mr. J. A. McInnis is critically ill.

Mr. J. D. Medcalf was in town on Sunday.

R. v. Mr. Andrews and bride, who have been visiting at F. A. Field, left last week for Antigonish.

Among the death notices of the week is found that of the relict of the late Rev. John McMurray, who resided for many years in Windsor, and who took a deep interest in all matters relating to the church which she loved so well. The deceased lady was residing at Halifax, at the time of her husband's death, and soon after that event removed to Newport, where she made her home with her nephew, Mr. William Bennett. Up to a few days of her death she had enjoyed comparatively good health, but about a week ago was attacked with weakness of the heart to which she succumbed on Friday evening last, Feb. 9th, passing away quietly and with very little suffering. The funeral took place on Sunday afternoon, and was attended by a large gathering of friends, who in this way evidenced their respect for a worthy resident, and a member of a much esteemed family in Newport—the Allison's. There were present of the family connection, Mr. Samuel H. Black, of the Halifax Banking Co., Halifax, Mr. Wm. McCallum, Town Clerk of Truro, nephew of the deceased, Mrs. W. A. Fuller, of Windsor, daughter of Dr. McMurray, Wm. M. Fuller, grandson of Dr. McMurray, and Mr. Jos. Rathburn, of Newport station. The deceased lady was about 82 years of age.

At Windsor, February 4th, another of our respected residents passed away, Mrs. William

Kelce, aged 68. The deceased had been an invalid for some years, heart trouble causing her death. She was a daughter of the late John Thompson, Windsor Forks. She leaves a husband and ten children to mourn their loss. On the Tuesday afternoon following her death she was buried at Maplewood Cemetery.

Died on Saturday evening, at the home of the Misses Palmer, Mr. Robt. Eason, formerly of Halifax, at one time a member of the firm of Eason Bros., who carried on business where L. D. Corbett & Co.'s office and warehouse are now situated. The brothers forming the company were James, Robert and Harry. Mr. Eason has resided here for three or four years. He was educated in England. Since the dissolution of the firm of Eason Bros. he was not connected with any kind of business, and indeed, his health, which had been very poor for several years, would not allow him to do so. His father, who was the head of Eason & Co., was one of the wealthiest residents of Halifax, having made considerable money in the West India business. Mr. Eason was a quiet, unassuming person, very reserved in manner, and had some warm friends here.

There were quite a number of spectators present, and the costumes of the skaters were good. There was only one Boer costume on the ice, two soldiers, three Samanth's Allens, and quite a few negro costumes, beside the various other ones, which would be hard to describe. **Drink Only Good Tea.**

There's a reason for it. Cheap teas are not only flavorless, and require more tea to the cup to produce any taste, but moreover, are often artificially colored and flavored, and are sometimes most dangerous. A branded tea like Letley's Elephant Brand is safest, as its packers' business reputation is staked on its purity.

**Taking Time by the Forelock.**

The tailor, while midwinter winds blow cold across the ice, Gets in the checks and things they weave To make spring suits for men; The hatter, when the snow lies deep Upon the dreary flats, Goes forth to buy next summer's crop Of gentlemen's straw hats.

The dry goods man, when wild winds sweep Across the cheerless dunes, Gets in the checks and things they weave That women wear in June; The bard, when pipes are frozen, sings Of flowers and verdant scenes And shady woodland stretches for The summer magazines.
