Nothing Hunts Out Corns Like tight boots. Nothing removes corns with such certainty as Putnam's Painless Corn Extractor. Beware of poisonous substitutes. Ask for and get Putnam's Painless Corn Extractor at druggists. For if you get it—you've got a dead sure thing. All druggists sell it, or by mail post paid on receipt of twenty five cents. N. C. Polson & Co., Kingston, Ont.

I am unfamiliar with American customs, said one European nobleman to another. 'What is the usual mode of procedure in marrying an heiress?' 'It is very simple. You tell the lady how much you love her, and her father how much you owe.'

Suitably Attired: Mrs. Chatterton—Henry, for goodness sake, don't wear such short trousers! Give them to the ragman!

Chatterton—Not much! You women haven't got any patent on the rainy day costume idea. These are my rainy day trousers.

Overstocked.—'Why is it that pessimists seem to have so much trouble?' 'Optimists never borrow any.'

Mrs. Eddy—There is no matter; all is mind. Learner—Is money matter? Mrs. Eddy—There is no matter.

Learner—Well, I have a million dollars in my mind. Will you please cash me a check for a hundred thousand? Mrs. Eddy—Yes, in my mind.

Learner—No matter—never mind. Mrs. Upperton—The king does not seem to be nearly so happy as he was when he was merely a prince.

Mrs. Veriswell—Naturally. It's the difference between brilliant prospects and dull realities.

Lawyer—You would say, then, that Mr. Whyte is a gentleman of unimpeachable veracity? Witness—Yes, sir, I presume that if anybody asked me to I should, but I have known him to lie sometimes.

Higgins—I thought you said you did not understand Russian? I saw you talking to that Russian peddler.

The Pain of Sore Feet. Just about the most tantalizing of all pains comes from sore feet. To get relief bathe the feet in warm water and then rub them with Polson's Nerviline. It penetrates through the pores of the skin, takes out the soreness, reduces swellings, invigorates the tired muscles, tones up the circulation, and prevents the feet from becoming sore again. Nerviline is a protection and safe-guard against the pains and aches of the entire family and cures rheumatism, neuralgia, toothache, &c. 25 cents.

EVERY HOME NEEDS a remedy that is adapted for use in case of sudden accident or illness. Such a one is Pain-Killer. Avoid substitutes, there's but one Pain-Killer, Perry Davis'. 25c. and 50c.

Country doctor (catching)—Now little boy, what must we all do in order to enter heaven? Boy—Die. Quite right; but what must we do before we die? Get ill and send for you.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhoea, and have to use great precautions to avoid the disease. Change of water cooking, and green fruit, is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

I see Johnson has his hair cut? Yes; the critics have at last convinced him that he's no author.

SLEEPLESSNESS.—When the nerves are unstrung and the whole body given up to wretchedness, when the mind is filled with gloom and dismal forebodings, the result of derangement of the digestive organs, sleeplessness comes to add to the distress. Only the subject could sleep, there would be oblivion for a while and temporary relief. Parmelee's Vegetable Pills will not only induce sleep, but will act so beneficially that the subject will wake refreshed and restored to happiness.

George—I have just invested in one of those 'pepper and salt' suits. Robert—Ah! That ought to do good for two seasons.

THE FLAGGING ENERGIES REVIVED.—Constant application to business is a tax upon the energies, and if there be not relaxation, lassitude and depression are sure to intervene. These come from stomachic troubles. The want of exercise brings on nervous irregularities, and the stomach ceases to assimilate food properly. In this condition Parmelee's Vegetable Pills will be found a recuperative of rare power, restoring the organs to healthful action, dispelling depression, and reviving the flagging energies.

It is an Officer of the Law of Health—When called in to attend a disturbance it searches out the hiding place of pain, and like a guardian of the peace, lays hands upon it and says, 'I arrest you.' Resistance is useless, as the law of health imposes a sentence of perpetual banishment on pain and Dr. Thomas' Electric Oil was originated to enforce that sentence.

If your children are troubled with worms, give them Mother Graves' Worm Exterminator; safe, sure, and effectual. Try it, and mark the improvement in your child.

If fitting boots and shoes cause corns. Hollway's Corn Cure is the article to use. Get a bottle to cure your corns.

WHAT MAKES YOU COUGH.

Did you ever wonder just what makes you cough in a general way it is understood to be an involuntary effort of nature to eject something from the breath pipe. As a matter of fact, merely a slight throat inflammation caused by a cold will cause a cough to start, and the more you cough the more you want to cough. If you allay the inflammation in the throat your cough will stop.

Don't dull the sensitiveness of the throat with medicine containing a narcotic, but give it soothing and healing treatment. This is difficult, because the inflamed parts are in the way of the passage of food and drink. The true cough remedy is something that will protect the throat from the ill effect of catarrhal discharges and also from the irritation of swallowing food. Such a remedy is Adamson's Botanic Cough Balsam, which for many years has been conquering the most obstinate coughs. It is a soothing compound prepared from barks and gums. Its beneficent effect is quickly felt and the work of healing promptly begun. If you once take Adamson's Balsam for cough, you will never be satisfied without some of it at hand for any new cough. A trial size of the Balsam can be secured of any druggist for ten cents. The regular size is 25c. In asking for the Balsam, be sure you get the genuine, which has 'F. W. Kinsman & Co.' blown on the bottle.
