Family cares and duties do not weigh down the well woman, and the children are never in her way. But when the womanly health fails, and there is a constant struggle with weakness and pain, household duties are a burden almost past bearing, and children are a ceaseless annoyance and worry.

Weak women are made strong and sick women are made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries disagreeable drains, heals inflammation and ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I had been ailing some time, troubled with female weakness," writes Mrs. Wm. H. Johnson, of Avondale, Chester Co., Pa. "Every month I would have to lie on my back. I tried many different medicines and nothing gave me relief until I began Dr. Pierce's medicine, using two bottles of 'Favorite Prescription' and two of 'Golden Medical Discovery.' These medicines have cured me. When I began your treatment I was not able to do very much, but now I do the work for my family of nine, and feel better to-day than I have for a year. I thank you, doctor, from the bottom of my heart, for well do I know that you are the one who cured me."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.
