#### WHAT MAKES YOU COUGH

Did you ever wonder just what it is that makes you cough? In a general way it is understood to be an involuntary effort of nature to eject something from the breath pipe. As a matter of fact, merely a slight throat inflammation caused by a cold will cause a cough to start, and the more you cough, the more you want to cough. If you allay the inflammation in the throat your cough will stop.

Don't dull the sensitiveness of the throat with medicines containing a narcotic, but give it soothing and healing treatment. This is difficult because the inflamed parts are in the way of the passage of food and drink. The best cough remedy is something that will protect the throat from the ill effect of catarrhal discharges and also from the irritation of swallowing food. Such a remedy is Adamson's Botanic Cough Syrup, which for many years has been conquering the most obstinate coughs. It is a soothing compound prepared from barks and gums. Its benevolent effect is quickly felt and the work of healing promptly begun. If you once take Adamson's Balsam for cough, you will never be satisfied without some of it at hand for any new cough. A trial size of the Balsam can be secured of any druggist for ten cents. The regular size 25c. In asking for the Balsam, be sure you get the genuine which has "F. W. Kinsman & Co. blown in the bottle."

A CURE FOR COSTIVENESS.—Costiveness comes from the refusal of the excretory organs to perform their duties regularly from contributing causes usually disordered digestion. Parrole's Vegetable Pills, prepared on scientific principles, are so compounded that certain ingredients in them pass through the stomach and act upon the bowels so as to remove their torpor and arouse them to proper action. Many thousands are prepared to bear testimony to their power in this respect.

IN NATURE'S STOREHOUSE THERE ARE CURES.—Medical experiments have shown conclusively that there are medical virtues in even ordinary plants growing up around us which give them a value that cannot be estimated. It is held by some that Nature provides a cure for every disease which neglect and ignorance have visited upon many. However, this may be, it is well known that Parrole's Vegetable Pills, distilled from roots and herbs, are a sovereign remedy in curing all disorders of the digestion.

Pleasant as syrup; nothing equals it as a worm medicine, the name is mother Graves' Worm Exterminator. The greatest worm destroyer of the age.

EVERY HOUSEKEEPER must often act as a family physician. Pain Killer for all the little ills, cuts and sprains, as well as for all bowel complaints, is indispensable. Avoid substitutes there is but one, Pain Killer, Perry Davis' 25c and 50c. Got Lame Back

No need of that now. That sort of pair can be knocked out in short order, for Polson's Nerviline, which is five times stronger than any other, penetrates an ounce through the tissues, reaches the source of suffering, drives it out and thus gives relief almost instantly. Not magic, but strength that gives Polson's Nerviline this power, you will think it magic however if you try it, pain goes so quickly. Sold by dealers everywhere, in large 25 cent bottles.

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them. Call on your druggist and get a bottle at once. Putnam's Painless Corn and Wart Extractor Contains no acids or other injurious chemical compounds; is neither caustic, corrosive or irritating; but soothes and eases from the first application, and acts quickly. If you want an irritating and flesh eating remedy do not ask for Putnam's, it acts just the other way. For sale at all druggists.

Nearly all infants are more or less subject to diarrhoea and such complaints while teething, and as this period of their lives is the most critical, mothers should not be without a bottle of Dr. J. D. Kellogg's Dysentery Cordial. This medicine is a specific for such complaints and is highly spoken of by those who have used it. The proprietors claim it will cure any case of cholera or summer complaint.
