#### COUGHING ALL NIGHT.

It's this night coughing that breaks us down, keeping us awake most of the time, and annoying everybody in the house. Lots of people don't begin to cough until they go to bed. It gets to be so that retiring for the night is an empty form, for they cannot rest.

Adamson's Botanic Cough Balsam makes life worth living to such people by its soothing effect on the throat. The "tickling sensation" promptly disappears when the use of the Balsam is begun, and the irritation goes with it. This medicine for cough hasn't a disagreeable thing about it, and it does efficient service in breaking up coughs of long standing. It is prepared from barks and roots and gums of trees, and is a true specific for throat troubles.

Harding coughs is a science that every one should learn. Not knowing how to treat them has cost many fortunes and many lives. In Adamson's Balsam there are the elements which not only heal inflammation, but which protect the inflamed parts from further irritation. The result of this is that the tendency to cough does not manifest itself, and you are surprised at it. Afterward you would not be without Adamson's Balsam at hand. This remedy can be tested 25 cents at any druggist's.

Mother Graves' Worm Exterminator is pleasant to take; sure and effectual in destroying worms. Many have tried it with best results.

Why go limping and whining about your corns, when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial, and you will not regret it.

Signs of Danger—Have you lost your appetite? Have you a coated tongue? Have you an unpleasant taste in the mouth? Does your head ache and have you dizziness? If so, your stomach is out of order and you need medicine. But you do not like medicine. He that prefers sickness to medicine must suffer, but under the circumstances the wise man would procure a box of Parmelee's Vegetable Pills and speedily set himself in health, and strive to keep so.

The Most Popular Pill.—The pill is the most popular of all forms of medicine, and of pills the most popular are Parmelee's Vegetable Pills, because they do what it is asserted they can do, and are not put forward on any fictitious claims to excellence. They are compact and portable, they are easily taken, they do not nauseate nor grip, and they give relief in the most stubborn cases.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. These persons are not aware that they can indulge in their favorite food if they have on hand a bottle of Dr. J. D. Kellogg's Dysentery and Cholera medicine that will give immediate relief, and is a sure cure for all summer complaints.

A Linctament for the Logger.—Loggers lead a life which exposes them to many perils. Wounds, cuts and bruises cannot be altogether avoided in preparing timber for the drive and in river work, where wet and cold combined, are of daily experience, coughs and colds and muscular pains cannot but ensue. Dr. Thomas' Electric Oil when applied to the injured or administered to the ailment, works wonders.

It always cures, but it cures more quickly now that at any other season of the year. Your druggist or doctor will tell you what a good thing Catarrhazine is. 25c. and \$1.00.

#### Rheumatic Pains Cured by Nerviline.

This is the testimony of Mr. Benjamin Dillon, of Leeds, Ont., who says: I feel it my duty to proclaim the marvellous value of Polson's Nerviline as an infallible cure for rheumatic pains; it cures them every time. Nothing I know of equals it as a household liniment, and mothers should feel it as necessary as bread itself. Nerviline has cured rheumatism of 30 years standing, and can cure you. Instant relief, absolute cure, large bottle 25c.

ONE TEASPOONFUL of Pain Killer in hot water sweetened will cure almost any case of flatulency and indigestion. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. 25c. and 50c.
