FAT REDUCTION.

Mrs. M Dumar studied the reduction of human fat for over 20 years, with the greatest specialists in Europe and America. Over 10,000 grateful patients attest her successes. Her's is no "Monthly Payment" scheme Mrs. Dumar's treatment is endorsed by the Colleges of Physicians and by "The United States Health Report." Her total charges \$1, which pays for prescription, for medicine sold in all first class drug stores, full instructions as to the treatment, and everything necessary to reduce one pound or more a day. No extra charges. No wrinkles and no injury to health.

FROM NEWSPAPER EDITORIALS.

The patients of Mrs. Dumar are legion, and all of them are her friends.—Weekly Tribune and Star.

Twenty odd years she has spent in serving her sister-sufferers and all have benefited by her treatment.—Family Physician Magazine, N. Y.

For many years this successful specialist has been curing excessive fat, and we (acknowledged to be the highest American authority on all matters pertaining to health, sanitation and hygiene) feel authorized to recommend this treatment.—United States Health Report.

If you find this treatment not based on common sense, and find it doesn't work, she will send you \$1 back. If you question the value of this treatment, ask any proprietor of a first class newspaper. They all know Mrs. Dumar and what she has done. She has not published a testimonial in years. She does not need it. Her work is too well known.

If you are interested in reducing flesh and believe that a sure, guaranteed reduction (as promised above) is worth \$1 to you, mail that sum in bill, stamps or Money Order to
